## Work Experience

---

### Manager

EARL STEWART TOYOTA-Lake Park, FL  
June 2024 to February 2025

Description: General manager of the detail department at Earl Stewart Toyota, Lake Park FL. Managed 8-12 automotive detailers on a daily basis depending on how many units were purchased from the dealership. Overseeing product ordering/inventory, general maintenance of facilities, training, and payroll responsibilities.

### Manager

GUNTHER VOLKSWAGEN AND VOLVO-Delray Beach, FL  
February 2020 to November 2023

Description: General manager of the detail department at Gunther VW and Volvo in Delray Beach, FL. Managed 11-15 automotive detailers on a daily basis depending on how many units were purchased from the dealership. Overseeing product ordering/inventory, general maintenance of facilities, training, and payroll responsibilities.

### Sales Associate

GUNTHER VOLKSWAGEN AND VOLVO-Delray Beach, FL  
June 2019 to November 2019

Description: Automotive sales associate.

### Farm Manager

LIPMAN PRODUCE-Loxahatchee, FL  
November 2011 to August 2018

Description: Managed a 2,500 acre leased piece of property for the purpose of growing and harvesting fresh stake grown tomatoes. Managed 15-22 individuals, with support from an assistant who supervised operations in these key areas: pre-production/land maintenance, harvest, equipment repair and maintenance, pesticide application, and all clerical/office/payroll operations. Also managed through subordinates, 23-30 full time staff. At peak harvest operation it was not uncommon for there to be 600-700 individuals on the property six days of the week from the months of February through May. Oversaw all aspects of seepage irrigation and outsourced labor for production and harvest operations. Daily interaction with other departments in the company concerning shipping/packing, HR/workers compensation, and monthly and quarterly required training. Oversaw all food safety practices and was the main liaison for food safety audits and inspections. Responsible for generating, interpreting, and executing multiple types of reports either through computer programs or hand written documentation.

Operated various pieces of large equipment as needed. "On call" 24 hrs. a day, 365 days a year. Lipman Produce is the largest grower, shipper, and packer of fresh tomatoes in North America.

### **Assistant Farm Manager**

LIPMAN PRODUCE-Loxahatchee, FL

January 2005 to October 2011

Description: Assisted the location manager in all of the above duties stated above.

### **Scalehouse Manager**

MECCA FARMS-Loxahatchee, FL

January 2000 to December 2004

Description: Managed the daily operations of a scale weighing house for a small mining company. Duties included computer operation of a software program to record and print weigh tickets to purchasers of various mined materials. Weekly sales report generating. Operating various heavy equipment after hours or when mine was closed.

### **Sales/service Associate**

ANGOLA MOBIL SERVICE PLAZA-Angola-NY

June 1998 to December 1999

Description: Operated a POS system for a 20 pump gasoline/diesel service center on the New York State Thruway (Interstate 90). Performed various automotive servicing (oil/fluid change, tire repair/replacement). Also performed mobile service highway care in a company owned service pickup within a set mileage range both eastbound and westbound on I-90.
