The following steps have been taken in the review of the scope of services and terms:

EARLY/FORMAL REVIEW*

A review of the Terms and Conditions of the solicitation and contract has been reviewed and removed any language or conditions that may adversely impact SBE firms to respond.

Special contract requirements are included due to the following:

This solicitation has been reviewed to identify opportunities for De-Bundling or Aggregating to increase competition among SBE firms.

This solicitation review has considered and determined this contract is sized to maximize SBE participation in the bidding process. The following steps were taken:

Upon research of the database, there are 37 available SBE vendors.

☐ The following opportunities have been combined to increase the competition among SBE firms:

☐ The selection criteria will not unnecessarily restrict competition or adversely impact the ability for SBE firms to respond or participate as subcontractors. The following steps were taken:

- ☒ The project will be advertised for a minimum of 30 days unless where practical or for a longer period if required by state law.
- ☒ Researched relative availability for the particular good or service at the prime and subcontractor levels.
- ☒ Consult with department management on which API will create maximum opportunity for SBE firms or prepare Waiver.
- ☒ Complete Goal Setting form with backup documentation.
- ☐ The originating department has determined there are no SBE subcontracting opportunities and have included documentation associated with the **No API** recommendation on the Goal Setting Worksheet.
- ☒ Forward to the OSBD for review.
- ☐ If the OSBD agrees, submit to the Purchasing or Originating Department.
- ☐ If the OSBD disagrees, change and submit to Purchasing or Originating Department.

MANDATORY REVIEW

Complete Department Goal Setting Form, attach to Solicitation Document and forward to the OSBD for the Goal Setting Committee.
