Barbara A. Haider, Founder & CEO of **One Love One Community**, will make a presentation on the programs and services offered by One Love One Community, a nonprofit organization established to engage in youth, family, and community development programming and related activities in order to improve the lives of underserved residents.

Key programs include: *"Winners by Design Girls" Mentoring Programs (WBD)* which are early intervention & life skill programs that teaches girls in elementary and middle school etiquette, self-esteem, nutrition and goal setting as well as the impact of sexting and texting. *The "Kind Gestures" - Clothes Closet Project*, which provides free clothing for children in underserved area to help the students acquire appropriate clothing, as required, to meet their school dress code. And the *"Safety First" Bike Helmet Give-Away Program* to reduce head injuries & trauma associated with bicycles accidents by providing young school bike riders with a "properly fitted" bike helmet.

The primary mission of One Love One Community is to revitalize communities that are underserved and to strengthen the bond among its neighbors that would not only raise the level of involvement in their community but would also create partnership that would stimulate community growth.
