BRIAN LAMOTTE, PE
VP/CHIEF MARKETING OFFICER
WANTMAN GROUP, INC

Brian LaMotte, PE is the Vice President of Business Development and Marketing for WGI, a 340-person engineering, surveying, architectural, land planning, landscape architectural and environmental firm with its corporate office located in Palm Beach County and seven other offices located throughout the state of Florida. After graduating from the University of Florida's College of Engineering, Brian has practiced engineering in Palm Beach County for the past 33 years. Brian got his start in the engineering world working with the Palm Beach County Engineering Department in the Land Development Division.

Throughout Brian's engineering career, he has been involved with a number of professional organizations in a variety of capacities. These include the American Society of Civil Engineers, where he served as President; active membership in the Florida Engineering Society; served as Chairman of the Palm Beach County Environmental Appeals Board for three years; and current service on the Commercial Real Estate Advisory Committee for the Palm Beach County Business Development Board.

Brian's engineering expertise has been centered around the design and permitting of land development projects for both private and public clients including municipalities, state agencies, counties and special districts throughout the state. He is currently responsible for all aspects of business development and marketing for WGI, a role in which he feels quite comfortable having developed and maintained numerous relationships over his 33-year career.

We look forward to seeing you and your neighbors!
