Elizabeth Burrows, Senior Director
Achieve Palm Beach County

This meeting will focus on “Education Readiness” presented by Elizabeth Burrows, Senior Director, Achieve Palm Beach County.

The Achieve mission is to collectively ensure an integrated and effective system of supports from middle school through post-secondary that empowers students for career success.

Achieve began with a community gathering in May of 2015, when a group of Palm Beach County Leaders invited community members from a cross-section of organizations to discuss improving educational attainment through a collective impact approach. In December of 2016, the committee hosted a Launch Event to begin the work through Strategy and Support Teams.

Since that initial community gathering, this collective impact effort has made tremendous strides towards their goal through the creation of a strategic plan, attaining the support of the host organization, United Way of Palm Beach County.

Achieve created four strategy teams as defined by their four main areas of focus:

- Parent and Family Engagement
- High School Advising
- FAFSA Completion
- Post-Secondary Supports and Scholarships

This meeting will also be an opportunity to network with county agencies, OCR partners, and other community leaders who, like yourself, are making a difference in their community.

Join us in the conversation.
We look forward to seeing you and your neighbors!
