

Countywide Community Revitalization Team

VIRTUAL MEETING

You are invited!

TUESDAY APRIL 19 | 10AM

Join the Countywide Community Revitalization Team (CCRT) for a virtual WebEx meeting hosted by the Office of Community Revitalization (OCR) on Tuesday, April 19, at 10 a.m.

Ray Coleman, Executive Director, Pine Jog Environmental Education Center, will be in attendance to talk about *Growing Our Urban Earth Force (Go Urban Earth)*. The *Go Urban Earth* program is a collaboration between the Florida Atlantic University Pine Jog Environmental Education Center, the Arthur R. Marshall Loxahatchee National Wildlife Refuge, and several community-based youth providers established in lower-income communities across Palm Beach County. In short, youth from low-income schools will survey and learn about environmental challenges in their communities, select an issue they wish to work on, research practical solutions, design an action plan, implement a community-based project to address that issue, and share the results with others.

Go Urban Earth is an opportunity for underrepresented, low-income youth to become immersed in conservation and civic engagement. *Go Urban Earth* is convergent, cultural, interdisciplinary, and relationship-based. The success of the program depends on community, university, and organizational partnerships assembled to create enthusiasm and promote hope through civic engagement and youth-driven community action projects.

An update on initiatives undertaken by the OCR to assist the communities it serves will also be provided during this meeting.

This public meeting will also be an opportunity to network with county agencies, OCR partners, and other community leaders who, like yourself, are making a difference in their community.

PLEASE NOTE VIRTUAL MEETING WILL START PROMPTLY AT 10:00 AM. The Office of Community Revitalization is inviting you to a scheduled WebEx meeting.
