# Meeting Minutes

---

## 1. Prayer & Pledge:

Comments: Mr. Tate called the meeting to order at 9:40 a.m. Commissioner Nathaniel Holmes (Commissioner for the City of Pahokee) lead us in prayer. He also led us in reciting the Pledge of Allegiance, as well.

## 2. Welcome & Presentations:

Mr. Tate welcomed the attendees and asked Bishop/Comm. Holmes to do a special prayer for Mrs. Marcia Andrews. She was scheduled to speak to the GTAC group today; however, she had to cancel because of an ill relative. Comm. Holmes asked that everyone bow their heads for a moment of silent prayer.

Mr. Tate briefly reminded everyone of the upcoming list of exciting speakers scheduled to speak/present at the upcoming GTAC meetings and encouraged everyone to come out and support the speakers. He also asked that everyone provide the names of anyone that we should invite out to participate in the meetings. Some may want to connect with others attending our meetings. It's all about collaboration and connecting neighbors, organizations and communities together. He thanked everyone for coming out and went on to mention a few other items listed below:

- a) He thanked everyone for coming out to Mrs. Verdenia Baker's "Meet & Greet" at Pahokee's Marina on Sept 14, 2015 from 5:00 p.m. – 7:00 p.m. He applauded the community's initiative in requesting her to come out to the event. She was invited by Mr. Javin Walker and the Concerned Citizens of South Bay to come out to the Glades for the "Meet & Greet". The Concerned Citizens of South Bay hosted the event. Special thanks to Comm. Allie Biggs, The City of Pahokee, City of Belle Glade, City of South Bay & the Office of Community Revitalization. The event was very successful and OCR was very proud to be a part of the initiative.
- b) The Robotic Engineering Club was mentioned and the group was reminded that it will begin at Pahokee Elementary School sometime this year. OCR will be meeting with Dr. Abrams, (Pahokee Elementary School Principal) & Dr. Matthew Shoemaker (Area 3 Superintendent) to begin the Robotic Engineering Club soon. This year's robotic engineering program will initially start as a robotic club. Next year's plans are to organize and put into operation a First Robotic Competition, an international robotic competition that gives students real-world engineering experience.
- c) OCR's support and partnership with PBC's Youth Services dept. to secure mentors for male students of color is continuing. This effort continues as the "My Brother's Keeper" initiative started by President and former County Mayor Priscilla Taylor.

### 3. Special Presentations

Mr. Tate introduced Mrs. Erica Whitfield, Palm Beach County's School District 4 Board Representative. Mrs. Whitfield discussed several initiatives and made reference to the videos prepared by PBC School District's staff of the new schools recently built in the Glades. The videos are depicting Gladeview Elem. and Rosenwald Elementary. Mrs. Whitfield discussed some of the recent accomplishments by the School District in the Glades including:

1. Gladeview Elem. School (Belle Glade)
2. Rosenwald Elem. School (South Bay)
3. Gove Elementary School (Belle Glade)
4. New Principal at Lakeshore Middle School (Belle Glade)
5. West Technical School revival (Belle Glade)
6. Pahokee School's International Baccalaureate program(s)
7. Improvements in hiring and attracting teachers to the Glades have recently been very successful.
