SECTION I: GENERAL INFORMATION

INTRODUCTION

Palm Beach County (PBC) Board of County Commissioners (BCC) Community Services Department (CSD), Division of Human Services and Community Action, hereinafter referred to as the "HSCA" or "COLLABORATIVE APPLICANT," invites proposals from qualified entities, hereinafter referred to as "RENEWAL PROJECT APPLICANTS," to submit U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) Program Competition applications for the renewal of the entities' projects to serve homeless individuals, families, and youth in PBC. **Only non-profit organizations, units of government, public institutions of higher learning, tribal governments and public housing authorities are eligible to apply.**

BACKGROUND

Each year, HUD issues a CoC Program Competition Notice of Funding Opportunity (NOFO) to inform CoCs nationwide about the funds the federal government has designated to support local homeless programs in each community and the maximum amount that each community is anticipated to receive. This local Competition Notice (NOFO) is released in response to the HUD NOFO published June 1, 2026. **HUD issued its NOFO on June 1, 2026, for the funding period 2027-2028. The Homeless and Housing Alliance (HHA) which is the Continuum of Care (CoC) for Palm Beach County, has issued this NOFO in accordance with the HUD NOFO. Applicants are strongly encouraged to read the HUD NOFO, which is available here. [Opportunity Listing - FY 2026 Continuum of Care Competition and Youth Homelessness Demonstration Program Grants NOFO](#)**

ALL PROVISIONS OF THIS NOFO ARE SUBJECT TO CHANGE BASED ON HUD RELEASES

The CoC Program Competition is intended to support efforts by non-profit organizations and state and local governments to rehouse homeless individuals and families quickly. It includes those fleeing domestic violence, dating violence, sexual assault, and stalking, in addition to youth and young adults, while minimizing the trauma and upheaval caused by homelessness, while providing the supports and services needed to assist individuals and families to attain stable housing. It also supports access to and effective utilization of mainstream programs by those experiencing homelessness.

The CoC Program is authorized by Part C of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381–11389) (The Act), and the CoC Program rule found in 24 CFR Part 578 (the Rule).

The FL-605-Palm Beach County's (PBCs) CoC, locally known as the Homeless & Housing Alliance (HHA), released this NOFO June 17, 2026. in response to the HUD's NOFO released June 1, 2026.

There are three components to the CoC Program Competition; The CoC Consolidated Application, the Project Application, and the CoC Priority Listing of the project applications. New and Renewal Projects are first submitted to the COLLABORATIVE APPLICANT as part of the local competition. The projects are rated and ranked by a Non-Conflict Grant (NCG) Review Committee and are then submitted to HUD in the COC Consolidated Application following the HHA's approval of the application and/or reallocation of the funds, which is based on performance

data and community needs. This information is submitted to HUD by the project applicants as part of the Project Application component. The COLLABORATIVE APPLICANT is responsible for submitting the CoC Consolidated Application and the CoC Priority Listing to HUD.

This NOFO provides guidance for RENEWAL PROJECT APPLICANTS to submit their applications to the HHA and then to HUD. Project applicants will be funded directly by HUD, and the COLLABORATIVE APPLICANT will administer the program, including the local rating and ranking process and the programmatic and fiscal monitoring of the project.

Projects eligible for renewal include Permanent Supportive Housing (PSH), Rapid Rehousing (RRH), and Transitional Housing to RRH (TH-RRH) projects. **Preference will be given to renewing PSH programs.**

ELIGIBILITY

Qualified entities submitting project applications for the HUD CoC Program Competition funding must meet all statutory and regulatory requirements of The Act and 24 CFR Part 578 unless HUD approves a waiver to a provision in 24 CFR Part 578.

RENEWAL PROJECT APPLICANTS shall have current CoC project(s) for which they will apply for renewal. Applicants can be non-profit organizations, states, local governments, and instrumentalities of state and local governments. For-profit entities are not eligible to apply for grants or act as subrecipients of grant funds. All subrecipients must also meet the eligibility standards as described above.

All applicants must file a Notice of Intent to apply, available on the HHA website (<https://discover.pbc.gov/communityservices/humanservices/Pages/CoC-Grant-Apps.aspx>), no later than June 24, 2026, at 5:00 p.m. in order to be considered for funding under this competition.

Normally this would be done through HUDs electronic application system known as esnaps. Because esnaps is not yet available, applicants will submit their applications using the application published with this NOFO

NOTE: The NCG Review Committee shall review project applications to rate and rank the projects, so final submission to HUD at this point is not required or necessary.

Step 2: RENEWAL PROJECT APPLICANTS shall submit the PDF copies of their project application to HSCA, along with required local application materials and match documentation through the CSD NOFO submission website, located at https://pbcc.samis.io/modules/fx_rfp/.

All documents in the local application package must be submitted by the deadline date per application instructions.

- **NOFO Invitation Code is HUDCOCRENEWAL2026**
- Late applications will not be accepted.
- The NCG Review Committee cannot cure incomplete applications. If an application is incomplete, the application will be scored accordingly.

RENEWAL PROJECT APPLICANTS must submit one (1) application package for each project to be considered for funding. If RENEWAL PROJECT APPLICANTS are consolidating two (2) or more projects, the RENEWAL PROJECT APPLICANTS must submit three (3) or more applications: one (1) application for each of the projects that will be consolidated and one (1) consolidated application.

Step 3: Once project applications are rated and ranked by the NCG Review Committee and HSCA has recommended updates and returned their applications, PROJECT APPLICANTS will update and submit their project applications directly to HUD by the **HUD deadline (TO BE ESTABLISHED WHEN HUD PUTS THE APPLICATION IN E-SNAPS)** . See CoC Program Competition Local Project Application Timeline in [SECTION II, SCHEDULE OF EVENTS](#) of this NOFO.

As a condition of the Project funding, RENEWAL PROJECT APPLICANTS represent and warrant that it will comply with the County's Commercial Nondiscrimination Policy as described in Resolution R2025-0748, as may be amended. As part of such compliance, RENEWAL PROJECT APPLICANTS shall not discriminate on the basis of race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, or genetic information in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall RENEWAL PROJECT APPLICANTS retaliate against any person for reporting instances of such discrimination. RENEWAL PROJECT APPLICANTS shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the County's relevant marketplace in Palm Beach County. RENEWAL PROJECT APPLICANTS understand and agree that a material violation of this clause shall be reported as a finding to HUD and may result in the project not being recommended for future funding or other sanctions. This clause is not enforceable by or for the benefit of and creates no obligation to any third party. RENEWAL PROJECT APPLICANTS shall include this language in their subcontracts.

7. Homeless and Housing Alliance (HHA):

RENEWAL PROJECT APPLICANTS awarded funding are required to participate in Coordinated Entry in collaboration with the HHA and become members in good standing of the HHA by submitting an application, attending meetings, attending an orientation, and being approved by the HHA. Any agency receiving HUD CoC Program funding must adhere to the Standards of Care for their component, as adopted by the HHA.

To qualify as a member in good standing, organizations must meet the HHA attendance requirements. Members must attend sixty percent (60%) of the general HHA meetings and seventy percent (70%) attendance at committee, subcommittee or workgroup meetings, in addition to other HHA requirements, as defined in the HHA Governance Charter at www.hhapbc.org.

8. Client Management Information System (CMIS):

All agencies awarded HUD CoC Program Competition funds must participate in the CMIS. All clients served with HUD CoC Program Competition funds must be entered into CMIS. Funding requires that all clients served be entered and exited in CMIS during the applicable program year. Agencies must execute the required partner and user agreements with Palm Beach County and participate in the data sharing of CMIS on an ongoing basis throughout their HUD CoC Program agreement to maintain eligibility for future funding recommendations. Provisions are in place within CMIS to protect client confidentiality yet still report statistical data. Domestic Violence Agencies are exempt from this requirement and will be required to enter data into a comparable data base from which they can produce program reports.

9. Participate in Annual Point in Time (PIT) Count:

The PIT Count is an annual count of those experiencing homelessness in Palm Beach County on the streets and in shelters. The PIT Count is a community-wide undertaking requiring many volunteers and

coordination to count all the unsheltered homeless throughout the county accurately. HUD CoC Program Competition recipients are expected to assign staff volunteers in outreach teams or fixed locations to help complete surveys with homeless individuals.

10. Participate in the Annual Housing Inventory Chart (HIC):

The Homeless Inventory Chart (HIC) is a required report by HUD that counts every bed available (Permanent Supportive Housing, Hotel/Motel, Emergency Shelter, Transitional Housing, and Safe Haven) in the CoC. The HSCA completes it with input from agencies within the CoC. All HUD CoC Program Competition agencies will be required to report for the HIC.

11. Compliance with the Violence Against Women Act (VAWA) Rule:

VAWA provides various protections to victims of domestic violence, dating violence, sexual assault, and stalking under HUD programs. HUD CoC Program Competition recipients must comply with the VAWA rule. For general guidance on the implementation of VAWA 2022, please also see “The Violence Against Women Act Reauthorization Act of 2022: Overview of Applicability to HUD Programs,” a notice HUD published in the Federal Register on January 4, 2023.

12. Match Requirements:

All RENEWAL PROJECT APPLICANTS must provide matching funds in an amount that, at minimum, equals twenty-five percent (25%) of the funds requested excluding funds for leasing. Documentation must be provided demonstrating match funds on a dollar-for-dollar basis. The source of matching funds must be identified with your budget documentation. Detailed information regarding the requirements for matching HUD CoC Program Competition funds is described in the Continuum of Care Program Interim Rule, Section 24 CFR § 578.73, which can be found at: <https://www.hudexchange.info/resource/2033/hearth-coc-program-interim-rule/> YHDP renewal or replacement projects may be exempt from providing match if they can demonstrate that it has taken reasonable steps to maximize resources available to youth experiencing homelessness.

13. Unified Grant Guidance:

Successful applicants receiving HUD CoC Program Competition funding shall be required to comply with 2 CFR Part 200-*Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, located at: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

14. Participant Eligibility

Projects funded through this NOFO must have the following eligibility criteria for program participants. All references to paragraphs of the definition of homeless that are found throughout this NOFO refer to the paragraphs listed under the definition of "homeless" in 24 CFR 578.3 and include the definition of "homeless" under section 103(b) of the McKinney Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All specific references to the definition of “homeless” under paragraph (4) of 24 CFR 578.3 that are found throughout this NOFO also include the definition of “homeless” under section 103(b) of the McKinney-Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All projects must participate in coordinated entry, and the selection of program participants must be consistent with the CoC's coordinated entry process. Additionally, any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under or families headed by youth aged 24 and under who are living in unsafe situations. HUD interprets “youth-serving

provider” as a private nonprofit organization whose primary mission is to provide services to youth aged 24 and under and families headed by youth aged 24 and under. HUD interprets “living in unsafe situations” as having an unsafe primary nighttime residence and no safe alternative to that residence. These youth-related requirements supersede any conflicting requirements under this NOFO or the Rule.

DV Bonus, DV Renewal and DV Reallocation projects must serve individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 with the following exception: PH-RRH, Joint TH/PH-RRH, projects may serve individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking who qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).
- d. YHDP Renewal and Replacement projects including YHDP projects created through reallocation must serve youth aged 24 or younger, including unaccompanied and pregnant or parenting youth who: (1) qualify as homeless under paragraphs (1), (2), or (4) of the homeless definition in 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act; (2) have an unsafe primary night-time residence and no safe alternative to that residence; or (3) qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).

- As appropriate, NCG Review Committee members shall be trained and receive submitted applications. Committee members shall review, but not score, applications before Scoring Meeting.
- NCG Review Committee shall meet during the Scoring Meeting to review and discuss project applications and finalize individual project scores. NCG Review Committee scores are added, and applications are ranked and placed into either Tier 1 or Tier 2. Only 60% of the funds available can be used for to place projects in Tier 1.
 - i. Renewal projects that do not yet have performance data for a full year of operation shall be held harmless and awarded total points on all scoring factors that cannot be evaluated. Second-time or older renewal projects that do not have performance data for a full year of operation shall submit an explanation as to why they have not started spending out project funds and provide a plan for doing so within the HUD-mandated period. In extreme cases where community funding is at risk, NCG Review Committee members may exercise discretion, including recommending reallocation or placement into Tier 2.
 - ii. Due to the nature of the programs, renewal domestic violence projects shall be held harmless for specific questions as these processes differ for DV programs: new, increased, and earned income, and on Coordinated-Entry (CE). DV programs will be awarded full points for questions regarding program participants’ assessment scores.
 - iii. If the HUD tier rules allow for projects to “straddle” the tiers, i.e., to fall partially in Tier 1 and Tier 2, the top-scoring non-CMIS, non-Coordinated Entry project in Tier 2 shall be moved to straddle the tiers.
- Preliminary scoring results are delivered to applicants with a reminder about the appeals process.
- Appeals, if any, shall be reviewed by the HHA Appeals Committee.
- The HHA Governance Board shall meet to consider and approve a final recommended CoC Program Competition ranked funding list. Any renewal project that does not apply for funding or is identified by the NCG Review Committee as in need of reallocation, that funding shall be reallocated to a new project.
- **The HHA Governance Board’s final recommended CoC Program ranked funding list shall be presented to the Palm Beach County Board of County Commissioners (BCC) for final approval.**
- If funding becomes available after approval of the final ranked list, through reallocation or budget corrections, the HHA Governance Board shall offer the excess funding to new project applicants in order of project ranking.
- RENEWAL PROJECT APPLICANTS shall submit copies of letters or documentation for all match resources listed in their application.

- Applications are submitted along with the COLLABORATIVE APPLICANT's application to HUD.

The process is welcoming to persons with disabilities, persons who have experienced homelessness, and persons with limited English proficiency. If you need any accommodations for the NCG Review Committee, please contact CSD by email at CSD-COCNOFO@PBCGOV.ORG or by phone at 561-355-4642.

SECTION VII: APPEAL PROCEDURES

APPEALS POLICY

Appeals may be filed by an agency submitting a project application for the HUD CoC Program Competition funding to provide homeless services in PBC.

Eligible Appeals

Applicants may appeal deviations from the established PROCESS for reviewing and awarding project funding. Applicants may not appeal the amount of funding recommended.

Appeals must be submitted on the HHA Local Project CoC Program Competition Appeal Notice Form. See [ATTACHMENT 3](#). All appeals must be based on the information submitted by the application due date. No new or additional information will be considered. Omissions to the application cannot be appealed. The decision of the HHA Appeals Committee is final.

The HHA Appeals Committee consists of three (3) members of the HHA Governance Board, the CSD Director, the HSCA Director, and one non-voting representative from the NCG Review Committee. The voting members will not have participated in the original NCG Review Committee or have a conflict of interest with any agencies applying for CoC Program funding.

APPEALS PROCEDURES

- Agencies wishing to file appeals must request copies of their scoring sheets and relevant NCG Review Committee comments within one (1) business day of the posting of applicant scores. An appeal must be submitted in writing on the HHA Local Project CoC Program Competition Appeal Notice Form (See [ATTACHMENT 3](#)) within five (5) business days of the posting of applicant scores. Requests for scoring sheets and Appeal Notice Forms must be submitted to HSCA electronically to CSD-COCNOFO@PBCGOV.ORG
- All Appeal Notice Forms must be submitted electronically to CSD-COCNOFO@PBCGOV.ORG by the appeal deadline date listed in the CoC Program Competition TimeLine.
- The Appeal Notice Form must include a written statement specifying the grounds asserted for the appeal. The Appeal Notice Form must be signed by an individual authorized to represent the appealing applicant (i.e., Executive Director, CEO, CFO). It must include (highlight and/or cite) the specific sections of the application on which the appeal is based. The appealing applicant must specify facts and evidence sufficient for the HHA Appeals Committee to determine the validity of the appeal. That is, the notice of appeal must have attached the specific areas of the application being appealed and must also clearly explain why the information provided is adequate to gain additional points. The HHA Appeal Committee may notice issues that could and should have been raised in final submissions and may use their discretion in reviewing those and other factors during the Appeals Process.
- The HHA Appeals Committee will review and evaluate all notices of appeal and decide whether or not the appeal has any validity based on the appeal policy.

- The HHA Appeals Committee will read, review, and evaluate all valid appeals.
- HHA Appeals Committee deliberates and votes electronically. Votes and deliberation documentation are public records available upon a public records request.
- Appealing Applicants will receive, in writing, the decision of the HHA Appeals Committee within ten (10) business days of submission of the Appeal Notice Form.
- HHA Appeal Committee Scoring and Ranking List are submitted for consideration and approval by the HHA Governance Board.
- If HHA Appeals Committee makes a change to the Scoring and Ranking List as a result of an appeal, the new Scoring and Ranking List will be submitted for consideration and approval by the HHA Governance Board.

SECTION VIII: COC DEFINITIONS AND CONCEPTS

Annual Renewal Amount (ARA) – The amount that a grant can be awarded on an annual basis when renewed. It includes funds only for those eligible activities (operating, supportive services, leasing, rental assistance, CMIS, and administration) that were funded in the original grant (or the original grant as amended), less the unrenowable activities (acquisition, new construction, rehabilitation and any administrative costs related to these activities).

Annual Renewal Demand (ARD) – (24 CFR § 578.17(b)(2)) The total amount of all the CoCs projects that will be eligible for renewal in the 2026 CoC Program Competition, before any required adjustments to funding for leasing, rental assistance and operating budget line items based on FMR changes. The ARD will be calculated by combining the total amount of funds requested by eligible renewal projects on the Renewal Project Listing and the combined eligible renewal project amount(s) that were reallocated.

Applicant – an eligible applicant that the CoC has designated to apply for assistance under this part on behalf of that CoC.

Award – As used in this NOFO means a federal grant.

Beds Dedicated to Chronically Homeless Individuals and Families – A permanent supportive housing bed explicitly dedicated for use by chronically homeless individuals and families within a CoC’s geographic area, as reported in the CoC’s HIC and the 2026 permanent housing project applications. When a program participant exits the project, the bed must be filled by another chronically homeless participant unless there are no chronically homeless persons awaiting services located within the CoC’s geographic area. This concept only applies to PSH projects.

Centralized or Coordinated Assessment System – A centralized or coordinated process designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.

Chronically Homeless –

- A “homeless individual with a disability,” as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11360(9)), who:
 - Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and
- Has been homeless and living as described above continuously for at least 12 months or on at least four separate occasions in the last three years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the events included at least seven consecutive nights of not living as described above. Stays in institutional care facilities for fewer than 90 days will not constitute a break in homelessness, but instead, such stays are included in the 12-month total, as long as the individual was

living or residing in a place not meant for human habitation, a safe haven or an emergency shelter immediately before entering the institutional care facility;

- An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facilities, for fewer than 90 days and met all of the criteria above before entering that facility; or
- A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria above, including a family whose composition has fluctuated while the head of household has been homeless.

Client Management Information System (CMIS) – The information system designated by the CoC to comply with the CMIS requirements prescribed by HUD.

CoC Bonus Project – The CoC Bonus allows CoCs to use up to 15 percent of their Final Pro Rata Need (FPRN) to create one or more new project applications. New projects created through the CoC Bonus must meet the project eligibility and project quality threshold requirements established by HUD in sections III.C.5.b. and c. of this NOFO. To be eligible to receive a CoC Bonus project, the Collaborative Applicant must demonstrate its CoC ranks projects based on how they improve system performance as outlined in section V.B.2.b of this NOFO.

Collaborative Applicant – The eligible entity that the CoC has designated during the 2026 CoC Program Registration Process to apply for a grant on behalf of the CoC. The Collaborative Applicant must be the "Applicant" for each community applying for participation in the competition. In cases where the CoC needed to change the Collaborative Applicant and that change was approved after this NOFO was published but before the deadline for submissions, that approved replacement Collaborative Applicant is the eligible applicant for this NOFO.

Consolidation - The process by which two or more projects eligible for renewal in the CoC Program Competition apply for funding and are combined into a single renewal project upon award. See Sections IV.D.1.k of 2026 HUD CoC Program Competition NOFO for additional information.

Consolidated Plan - is a document developed by states and local jurisdictions. This plan is completed by engaging in a participatory process to assess their affordable housing and community development needs and market conditions and to make data-driven, place-based investment decisions with funding from formula grant programs. (See 24 CFR Part 91 for more information about the Consolidated Plan and related Annual Action Plan).

Consolidated Plan Certification – The standard form, Certification of Consistency with the Consolidated Plan (form HUD-2991), in which a state or local official certifies that the proposed activities or projects are consistent with the jurisdiction's Consolidated Plan and if the project applicant is a state or unit of local government, that the jurisdiction is following its Consolidated Plan per the requirement of 24 CFR Part 91. All project applications submitted by the Collaborative Applicant must be included in the certification either by submitting one appropriately signed and dated HUD-2991 for each project or a single signed and dated HUD-2991 from the jurisdiction that includes a listing of all project applications. If applicable, the CoC planning, UFA Costs, and renewal CoC projects must be included.

Continuum of Care (CoC) – The group is organized to carry out the responsibilities required under 24 CFR Part 578, and that is composed of representatives of organizations, including non-profit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing providers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

Continuum of Care Merger – A process where two or more CoCs voluntarily agree to merge the entire geographic areas of all CoCs into one larger CoC. HUD strongly encourages CoCs that struggle with capacity to combine with a neighboring CoC or Balance of State CoC during each fiscal year's CoC Program Registration process.

Coordinated Entry – A process developed to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs.

DedicatedPLUS Project – A permanent supportive housing project where 100 percent of the beds are dedicated to serving individuals, households with children, and unaccompanied youth that at intake meet one of the following categories:

1. Experiencing chronic homelessness as defined in 24 CFR § 578.3;
2. Residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
3. Residing in a place not meant for human habitation, emergency shelter, or Safe Haven and had been admitted and enrolled in a permanent housing project within the last year but were unable to maintain a housing placement and met the definition of chronic homeless as defined by 24 CFR § 578.3 before entering the project;
4. Residing in transitional housing funded by a Joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR § 578.3;
5. Residing and has resided in a place not meant for human habitation, Safe Haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions, and the individual or head of household meets the definition of 'homeless individual with a disability'; or
6. Receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.
7. A renewal project where 100 percent of the beds were dedicated to chronically homeless individuals and families, as described in Section III.C.2.b, under the grant that is being renewed, may either become a DedicatedPLUS project or may continue to dedicate 100 percent of its beds to chronically homeless individuals and families. If a renewal project with 100 percent of its beds dedicated to chronically homeless individuals and families elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR § 578.93.

Projects awarded as DedicatedPLUS in a previous CoC Program Competition must include households with children qualifying as a DedicatedPLUS project in the 2026 CoC Program Competition.

Deficiency – Information missing or omitted within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box.). Depending on specific criteria, deficiencies may be either curable or non-curable.

Curable Deficiency – Applicants may correct a curable deficiency with timely action. To be curable, the deficiency must:

- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.
- Non-Curable Deficiency – An applicant cannot correct a non-curable deficiency after the submission deadline.

Non-Curable Deficiencies – Deficiencies that, if corrected, would change an applicant's score or rank versus other

applicants. Non-curable deficiencies may result in an application being marked ineligible or adversely affect an application's score and final determination.

DV Bonus – Domestic Violence, Dating Violence, Sexual Assault, and Stalking Bonus (DV Bonus). A new project that is dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. As described in paragraph (13) below, survivors of human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act because they are often also victims of domestic violence, dating violence, sexual assault, or stalking; however, a DV Bonus project may not exclusively serve people fleeing or attempting to flee human trafficking. New DV Bonus projects are subject to the limitation on new projects in section I.B.3.a.(1) of this NOFO, and a CoC may apply for up to 20 percent of its Preliminary Pro Rata Need (PPRN) to create a new DV Bonus project(s); however, this amount is limited to a: (a) a minimum of \$50,000 if 10 percent of the CoC's PPRN is less than \$50,000; or (b) maximum of \$5 million if 10 percent of the CoC's PPRN is more than \$5 million. See sections I.B.3.l and I.B.2.b.(8) of this NOFO for project application requirements and how DV Bonus projects will be reviewed and selected

Eligible Renewal Project – A project under grant agreement by December 31, 2026, with an expiration date in Calendar Year (CY) 2027 (between January 1, 2027, and December 31, 2027).

Expansion – The process used by renewal project applicants to submit a new project application to add funds to a project to expand its current operations by adding units, beds, persons served, services provided to existing program participants, or in the case of HMIS, increase the current HMIS activities within the CoC's geographic area. DV Bonus funds can only be used to expand an existing renewal project if the expansion project is dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act; however, as explained in section I.B.3.l of this NOFO, only the new project application for the expansion will be considered for DV Bonus funds, and HUD will only select a new DV Bonus project that expands an existing renewal project if HUD conditionally selects the renewal project in Tier 1 or 2. For projects that are expanding their current CoC Program-funded project, project applicants must submit: (a) the renewal project application that will be expanded; and (b) a new project application with expansion information. YHDP projects cannot use the expansion process.

Final Pro Rata Need (FPRN) – The higher PPRN or ARD for the Continuum of Care is the FPRN, which is the base for the maximum award amount for the CoC.

High Performing Community (HPC) – A Continuum of Care that meets the standards in subpart E of this part and has been designated as a high-performing community by HUD.

Homeless –

1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
 - a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
 - b. An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or
 - c. An individual who is exiting an institution where they resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that

institution;

2. An individual or family who will imminently lose their primary nighttime residence provided that:
 - a) the primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
 - b) No subsequent residence has been identified; and
 - c) The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing;
3. Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
 - a. Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), section 637 of the Head Start Act (42 U.S.C. § 9832), section 41403 of the Violence Against Women Act of 1994 (42 U.S.C. § 14043e-2), section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)), section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. § 2012), section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. § 1786(b)), or section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11434a);
 - b. Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;
 - c. Have experienced persistent instability as measured by two moves or more during the 60 days immediately preceding the date of applying for homeless assistance; and
 - d. Can be expected to continue in such status for an extended period because of chronic disabilities; chronic physical health or mental health conditions; substance addiction; histories of domestic violence or childhood abuse (including neglect); the presence of a child or youth with a disability; or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or
4. Any individual or family who:
 - a. Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;
 - b. Has no other residence; and
 - c. Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

Although not reflected in the regulation, section 605 of the Violence Against Women Act Reauthorization Act of 2022 amended Section 103(b) of the Act and requires HUD to consider certain individuals and families as homeless. This amendment took effect on October 1, 2022. Notwithstanding anything to the contrary contained elsewhere in this NOFO, where 578.3 paragraph (4) is referenced, applicants may apply to serve the population as defined in Section 103(b) of the Act.

Homelessness and Human Trafficking – HUD is clarifying that persons who are fleeing or attempting to flee human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act and may be eligible for certain forms of homeless assistance under the CoC Program, subject to other restrictions that may apply. HUD considers human trafficking, including sex trafficking, to be “other dangerous or life-threatening conditions that relate to violence against the individual or family member” under paragraph (4) of the definition of homeless at 24 CFR 578.3 and “other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation” under section 103(b) of the McKinney-Vento Homeless Assistance Act.

Homeless Management Information System (HMIS) – Also known as the Client Management Information System (CMIS). The CoC designates the information system to comply with the CMIS requirements prescribed by HUD.

Homeless Management Information Lead (HMIS Lead) – The entity designated by the CoC in accordance with this part to operate the Continuum's CMIS on its behalf.

Housing Inventory Count (HIC) – A complete listing of the CoC's HUD and non-HUD-funded beds dedicated to homeless individuals and families in the CoC's geographic area.

Joint TH and PH-RRH Component Project – The Joint TH and PH-RRH component project combines two existing program components – transitional housing and permanent housing-rapid rehousing – in a single project to serve individuals and families experiencing homelessness.

Non-Dedicated Permanent Supportive Housing Beds – Permanent supportive housing beds within a CoC's geographic area that are not currently classified as dedicated for use by chronically homeless individuals and families or as DedicatedPLUS.

Notice of Funding Opportunity (NOFO) – An agency's formally issued announcement of the availability of federal or federal pass-through funding through one of its financial assistance programs. The announcement provides eligibility and evaluation criteria, funding preferences and priorities, the submission deadline, and information on obtaining application kits.

Permanent Housing – Community-based housing without a designated length of stay and includes both permanent supportive housing and rapid rehousing. To be permanent housing, the program participant must be the tenant on a lease for at least one year, renewable for terms that are a minimum of one month long and are terminable only for cause.

Permanent Supportive Housing (PSH) - permanent housing provides supportive services to assist homeless persons with a disability to live independently.

- That has a voluntary board;
- Which has a functioning accounting system that is operated in accordance with generally accepted accounting principles (GAAP) or has designated a fiscal agent that will maintain a functional accounting system for the organization in accordance with GAAP; and
- That practices nondiscrimination in the provision of assistance.

A private non-profit organization does not include governmental organizations, such as public housing agencies.

Program Participant – An individual (including unaccompanied youth) or family assisted with CoC program funds.

Project – A group of eligible activities, such as CMIS costs, identified as a project in an application to HUD for CoC funds and includes a structure (or structures) that is (are) acquired, rehabilitated, constructed, or leased with

assistance provided under this part or with respect to which HUD provides rental assistance or annual payments for operating costs or supportive services under this subtitle.

Project Applicant – An eligible applicant, as defined in section 24 CFR § 578.3 of the CoC Program interim rule, that is designated by the CoC to apply for assistance under the CoC Program Competition and is a private non-profit organization, state, local government, or instrumentality of state and local government.

Rapid Rehousing – A type of permanent housing meeting the requirements of 24 CFR § 578.37(a)(1)(ii).

Reallocation – Reallocation is a process CoCs use to shift funds in whole or in part from existing eligible renewal projects to create one or more new projects without decreasing the CoC's ARD. New projects created through reallocation must meet the requirements in section I.B.3.a, III.B.4.b.(3) and the project eligibility and project quality thresholds established in sections III.C.5.b. and c. of this NOFO. CoCs may reallocate eligible renewal projects that HUD previously renewed during a CoC Program NOFO competition. To create a Transition Grant through the reallocation process, the CoC must wholly eliminate one or more projects and use those funds to create a single, new transition grant. CoCs may reallocate YHDP projects HUD initially awarded Round I YHDP to create new CoC grants. Reallocated YHDP grants may only reallocate to a youth serving program. CoCs are prohibited from reallocating YHDP projects initially awarded in Round 2 or later.

Recipient – A non-Federal entity receiving an award directly from HUD to carry out an activity under a HUD program.

Seniors: Persons over the age of sixty-two (62).

Solo Applicants – Per the Act, "A solo applicant may submit an application to the Secretary for a grant under subsection (a) and be awarded such grant on the same basis as such grants are awarded to other applicants based on the criteria described in section 11386a of this title, but only if the Secretary determines that the solo applicant has attempted to participate in the continuum of care process but was not permitted to participate in a reasonable manner. The Secretary may award such grants directly to such applicants in a manner determined to be appropriate by the Secretary." **A solo applicant must submit a solo applicant project application in e-snaps before the application deadline.** Additionally, for HUD to consider its solo application, a solo applicant must also meet all the requirements outlined in section VII.C of this NOFO.

Subrecipient – A non-Federal entity receiving a subaward from a pass-through entity to carry out part of a HUD program but does not include an individual beneficiary of such program. A subrecipient may receive other Federal awards directly from a Federal awarding agency (including HUD).

Supportive Services Only (SSO): Funds may be used for acquisition, rehabilitation, relocation costs or leasing of a facility from which supportive services will be provided, and supportive services in order to provide supportive services to unsheltered and sheltered homeless persons for whom the recipient is not providing housing or housing assistance. SSO includes Street Outreach. See 24 CFR 578.53 for the types of Supportive Services that may be provided.

Transitional Housing – Housing, where all program participants have signed a lease or occupancy agreement, the purpose of which is to facilitate the movement of homeless individuals and families into permanent housing within 24 months or more extended period as HUD determines necessary. The program participant must have a lease or occupancy agreement for a term of at least one month that ends in 24 months and cannot be extended.

Threshold Requirement – Threshold requirements are a type of eligibility requirement. Threshold requirements must be met for an application to be reviewed; are not curable, except for documentation of applicant eligibility.

Transition Grant – A grant to fund a new CoC project to transition an eligible renewal project being eliminated through reallocation from one program component to another eligible new component over one year. Transition grants in this Competition are eligible for renewal in subsequent fiscal years for eligible activities of the new component. The new transition project must meet the following requirements: (a) to be eligible to receive a 2027 transition grant, the current recipient must have the consent of its Continuum of Care, and (b) the new project application must meet project eligibility and project quality thresholds established by HUD in sections III.C.5.b. and c. of this NOFO.

YHDP Replacement Project - The Consolidated Appropriations Act, 2023, permits the replacement of renewing YHDP projects under the CoC Program; therefore, renewing YHDP projects may be replaced with new YHDP projects that may wholly or in part include activities ineligible under the CoC Program if the replacement project demonstrates it will directly serve youth aged 24 and under experiencing homelessness. CoCs may replace a renewing YHDP project to create one or more YHDP Replacement projects. YHDP Renewal project applicants may submit renewal applications [see section I.B.3.n] for minor changes to a project, including adding or modifying Special YHDP Activities under III.B.4.b.(6), but larger changes to a project will require applying for a replacement project.

EXHIBIT 2: PALM BEACH COUNTY HOMELESS AND HOUSING ALLIANCE CONTINUUM OF CARE GRANTEE CERTIFICATION

Background: The Palm Beach County Continuum of Care (CoC), the Homeless and Housing Alliance (HHA), along with the Division of Human Services (HSCA), which serves as the COLLABORATIVE APPLICANT, is charged by the US Department of Housing and Urban Development (HUD) to operate and administer CoC activities and to monitor recipients’ performance. To further CoC goals and to clarify expectations, HHA is describing recipient responsibilities in this document that shall be signed by an authorized representative of the grant recipient agency.

CoC grant recipients have a grant agreement with HUD, and the grant recipient is responsible for adhering to all requirements and obligations outlined by HUD. If grant recipient responsibilities change, revisions will be made to this certification and will require a new signature.

Before applying for renewal or new CoC funding, all project applicants must read the CoC Program Interim Rule 24 CFR Part 578, which provides the requirements for implementing and administering the CoC Program.

ATTACHMENT 2: SCORECARD FOR COC RENEWAL APPLICATIONS

2026 SCORECARD FOR COC RENEWAL APPLICATIONS

The Non Conflict Grant (NCG) Review Committee will use the scorecard to rate the local renewal project applications for the U.S. Department of Housing and Urban Development (HUD) 2026 Continuum of Care (CoC) Program Competition funding.

The scorecard has five goals:

- Fund organizations that can run effective programs (can manage and administer a HUD-funded program, can operate on a reimbursement basis, have experience serving this or a similar population)
- Fund projects that reflect the Palm Beach County Housing and Homeless Alliance (HHA), the local CoC, and HUD's priorities
- Incentivize agencies to be members in good standing with HHA and actively input data into the HMIS system.
- Ensure that funded projects are being good stewards of HUD CoC Program funding in Palm Beach County and performing to HUD and HHA's standards.
- Ensure that funded projects meet HUD requirements
