FORM 11.A.9-15 (Art. 11.B.7.F.4)

ENGINEER'S CERTIFICATE OF COMPLETION

As a registered professional engineer in the State of Florida, to the best of my knowledge, information, and belief, it is my professional opinion that the subdivision required improvements for (plat name) based on field reviews under my responsible charge, have been constructed in substantial accordance with the approved construction plans and the Subdivision and Development Regulations of Palm Beach County, Florida, in effect on the date of plan approval. Attached, as itemized below, are copies of measurements, tests and reports made on the work and materials during the progress of construction, along with a Record Drawing copy of each of the construction plans in paper or electronic format, showing the original design in comparison to the actual finished work with all material deviations noted thereon. In my professional opinion, the deviations, if any, noted will not impair the intended functioning of the required improvement. Attachments to this completion statement are as follows:

(Reports, measurements, test results, reproducible mylars and sealed record drawing prints shall be listed, and submitted with the certification.)
