Notice is hereby given that the Department of Environmental Resources Management has completed its evaluation of offers received for the above-mentioned solicitation. The Department has determined that it is in its best interests to reject all offers submitted due to deficiencies in meeting the technical specifications bid requirements.

The Department has determined that the proposals did not meet the technical specifications outlined in the solicitation as it pertains to geotechnical analysis reports and statements/documentation related to the materials.

As allowed in Section 6.2 (*Rejection of Bids*) of Instructions to Bidders in the referenced solicitation, the Department has rejected all bids submitted for this Invitation to Bid and anticipates advertising a new solicitation for this project.
