The following steps have been taken in the review of the scope of services and terms:						
EARLY/FORMAL REVIEW*						
A review of the Terms and Conditions of the solicitation and contract has been reviewed and removed any language or conditions that may adversely impact S/M/WBE firms to respond.						
Special contract requirements are included due to the following:						
This solicitation has been reviewed to identify opportunities for De-Bundling or Aggregating to increase competition among S/M/WBE firms.						
This solicitation review has considered and determined this contract is sized to maximize S/M/WBE participation in the bidding process. The following steps were taken:						

	The following opportunities have been combined to increase the competition among S/M/WBE firms:
	,
	The selection criteria will not unnecessarily restrict competition or adversely impact the ability for S/M/WBE firms to respond or participate as subcontractors. The following steps were taken:
'	The project will be advertised for a minimum of 30 days unless where practical or for a longer period if required by state law.
/	Researched relative availability for the particular good or service at the prime and subcontractor levels.
	Consult with department management which API will create maximum opportunity for S/M/WBEs or prepare Waiver.
'	Complete Goal Setting form with backup documentation.
	The originating department has determined there are no S/M/WBE subcontracting opportunities and have included documentation associated with the <u>No API</u> recommendation on the Goal Setting Worksheet.
/	Forward to the OEBO for review.
	If the OEBO agrees, submit to the Purchasing or Originating Department.
	If the OEBO disagrees, change and submit to Purchasing or Originating Department.
