

Palm Beach County Special Needs Shelter

- **Do you depend on electric medical devices to stay well?**
- **Do you depend on an oxygen concentrator or Hoyer lift?**
- **Do you have a caregiver to help with unmet needs of daily living?**
- **Are you a caretaker to someone with progressive Alzheimer's or Dementia and need somewhere to evacuate together?**

If so, turn this card around to learn more >>>

The best place to be during a disaster is somewhere safe and comfortable, so plan to shelter at home.

If you live in an *evacuation zone*, plan to travel a few **minutes** or a few **miles** away from the danger if ordered to evacuate.

The Special Needs Shelter is available as a last resort when no other options remain.

»» Shelter admission requires pre- approval, and is based on need. Transportation may be requested in advance.

Applications for the Special Needs Shelter are accepted electronically at **www.ReadyPBC.com/SpNS** by phone, or mail:
