I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) An amendment of \$12,822,968 to the Infrastructure Surtax (IST) Project Plan approved by the Board of County Commissioners (BCC) on April 4, 2017, and later revised on January 4, 2022, and June 11, 2024, to increase the budget for the Parks Improvement Projects;
- B) A Budget Transfer of \$1,358,041 within the IST Fund from IST Departmental Reserves to Okeeheelee Park Street and Parking Lot Light Replacement Project and Athletic Field Renovations at Dyer Park and Westgate Park; and
- C) A Budget Transfer of \$12,822,968 within the IST Fund from IST County Reserves to Athletic Field Renovations at Buttonwood Park, Caloosa Park, Samuel Friedland District Park, Glades Pioneer Park, Loggers' Run Park and West Boynton Park.

Summary: The proposed budget transfer and amendment to the Infrastructure Surtax (IST) Project Plan, initially approved by the Board of County Commissioners (BCC) on April 4, 2017, and subsequently revised on January 4, 2022, and June 11, 2024, is intended to reallocate funds within the IST Fund to support various park improvement projects throughout the county. These projects include renovations and expansions of athletic fields, restroom facilities, and lighting systems across multiple parks. The reallocation of funds is necessary due to shortfalls in project funds after completing the bidding process. Funds are available in the Parks Department IST Reserves totaling \$1,358,041 and County IST Reserves totaling \$12,822,968. The Infrastructure Sales Tax Independent Citizen Oversight Committee reviewed this request at their August 15, 2024 meeting, and approved it unanimously. These projects are funded through the infrastructure sales tax. Countywide (AH)

Background and Justification: On November 8, 2016, the voters of Palm Beach County approved a one-penny infrastructure surtax for collections beginning January 1, 2017, and continuing for the sooner of 10 years or \$2.7 billion in proceeds before September 1 of any year. Also included was the creation of an IST Independent Citizen Oversight Committee to audit spending for compliance with approved projects.
