#### I. EXECUTIVE BRIEF

# Motion and Title: Staff recommends motion to approve:

- A) an Amendment of \$18,941,000 to the Infrastructure Surtax (IST) Project Plan approved by the Board of County Commissioners (BCC) on April 4, 2017, and later revised on January 4, 2022 and June 11, 2024, to increase the budget for the Parks Improvement Projects;
- B) a Budget Transfer of \$1,400,000 within the IST Fund from IST Departmental Reserves to Playground Replacement Countywide FY19, Racquetball Court Replacements at Haverhill Park and Lake Lytal Park and Duncan Padgett Park Picnic Area Improvements; and
- C) a Budget Transfer of \$18,941,000 within the IST Fund from IST County Reserves to Lake Lytal Pool Facility Replacement.

Summary: The proposed Budget Transfer and Amendment to the IST Project Plan, initially approved by the Board of County Commissioners (BCC) on April 4, 2017, and subsequently revised on January 4, 2022 and June 11, 2024, is intended to reallocate funds within the IST Fund to support various park improvement projects throughout Palm Beach County (County). These include the replacement of the Lake Lytal Pool Facility, racquetball courts at Haverhill Park and Lake Lytal Park, playgrounds at John Prince Campground, Lake Belvedere Estates, and Lake Charleston, as well as picnic area upgrades at Duncan Padgett Park. The reallocation of funds is necessary due to shortfalls in project funds after completing the bidding process. Funds are available in the Parks Department IST Reserves totaling \$1,400,000 and County IST Reserves totaling \$18.941.000. The IST Independent Citizen Oversight Committee reviewed this request at their May 15, 2025 meeting and approved it unanimously. These projects are funded through the infrastructure sales tax. Countywide (AH)

Background and Justification: On November 8, 2016, the County voters approved a one-penny infrastructure surtax for collections beginning January 1, 2017, and continuing for the sooner of 10 years or \$2.7 billion in proceeds before September 1 of any year. Also included was the creation of an IST Independent Citizen Oversight Committee to audit spending for compliance with approved projects.
