

- o Green Cay Nature Center is an approved SDPBC Science Provider. Grade specific curriculum is incorporated into all school programs and follow Collaborate, Plan, Align, Learn, Motivate, and Share (CPALMS) Standards which can be provided upon request.
- o ALL field trip programs include a guided half-mile tour of the Natural Area (weather permitting).

Cost of school sponsored field trips, while school is in session:

- \$2 per student
- 1 teacher or chaperone per 10 students at no cost.
- Student rate applies to all remaining attendees.

- o Field trip programs are offered Tuesday through Friday mornings and last approximately 1.5 hours.
- o We can accommodate up to 60 students at a time and offer the option to book multiple days for groups that exceed that capacity.
- o All programs are **by reservation only**. Please contact us at (561) 966-7000 or greencay@pbc.gov for more information or to make reservations.
