FROM: Daniel Burgio, Chief Customer Officer, Zantaz Data Resources LLC
SUBJECT: Sole Source, Enterprise Archive Solutions ("EAS")
DATE: March 18, 2026

As of the date of this memo, Zantaz Data Resources LLC is the only entity authorized to sell EAS software and related professional services. EAS is a proprietary software for which Zantaz Data Resources LLC controls the source code for all upgrades. As such, no other entity can access the software upgrades for licensing and the related professional services for implementation.

Zantaz Data Resources LLC ("Zantaz"), with its principal place of business at 5110 Main Street, Williamsville NY 14221, is the exclusive licensee of EAS software. Furthermore, Zantaz Data Resources LLC is the sole and exclusive owner of all intellectual property rights related to the modules within EAS.

This exclusive license grants Zantaz, along with its designated and certified resellers, the sole and exclusive authority to provide certified support, updates, and maintenance for EAS. This includes—but is not limited to—exclusive access to source code, product modification capabilities, and the release of new versions to support evolving infrastructure and compliance requirements.

Zantaz ensures that all support services are delivered by engineers who are fully trained and certified. Our support engineers possess extensive expertise in legacy system migration and maintenance. This deep familiarity with historical deployments, organizational procedures, and operational frameworks across complex enterprise and government environments enables Zantaz to deliver unmatched support, continuity, and system performance assurance for the archives.

Therefore, any organization seeking support, maintenance, or enhancements to the EAS software must work directly with Zantaz or one of our certified resellers.

Sincerely,

Daniel Burgio
