Division Goals
Goal 115
Goal 2
Goal 320
Division Statistics22

### Goal 1:

Knowledge, expectation, communication

Increase internal stakeholder knowledge of DEM capabilities, responsibilities, and resources

### Goal 2:

### **Addressing Vulnerabilities**

Utilize the risk and hazard assessments to improve PBC's capabilities in order to address vulnerabilities and improve resilience

### Goal 3:

### **Readiness; external residents**

Strengthen readiness of PBC to limit potential damages and loss

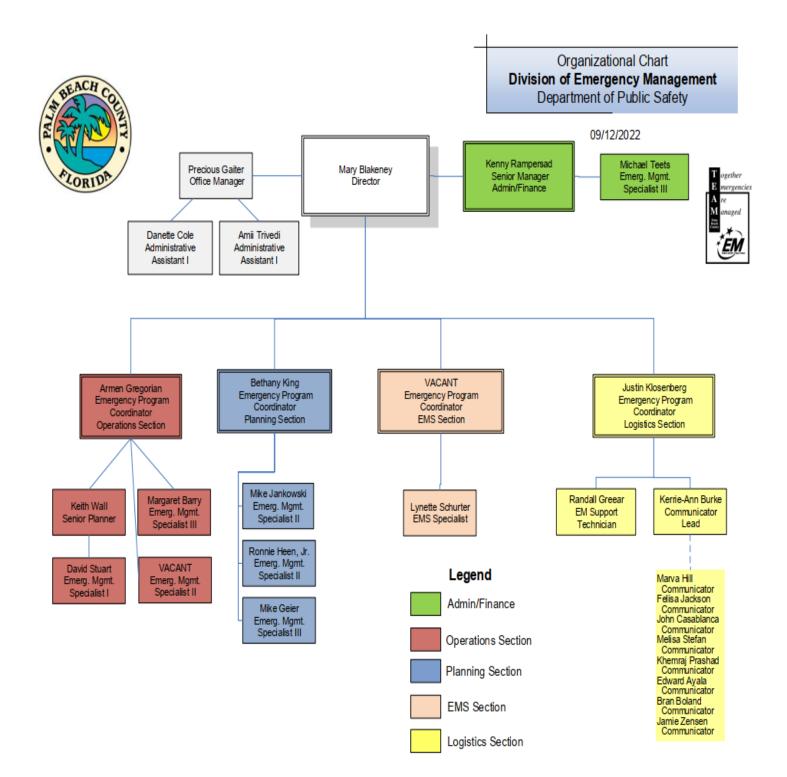

## **Mission**

To minimize the impact of emergencies and disasters to our community through education, planning, and response by coordinating information and resources.

## Vision

To be a world class emergency management agency keeping our community safe and resilient by working together with our partners and the public as a TEAM.

## Message from the Director

**Mary Blakeney** 

#### **Emergency Management Director**

elcome to this year's edition of the Palm Beach County Division of Emergency Management's (DEM) Strategic Plan. I am very proud of the accomplishments that our team has made during the past fiscal year – and I am excited about the future ahead.

In preparation for this document, the Division conducted a full-day strategic planning session with all DEM staff on June 13, 2022 at Morikami Museum and Japanese Gardens. During this day, staff members discussed how programs, services, stakeholder engagement, and training opportunities could be enhanced. The team discussed the threats we face and shared ideas of how to plan going into the future. The outcomes of this session were compiled into this plan.

Having wrapped up the multi-year response to COVID it changed our direction, modified our landscape. During our strategic planning session, we discussed the need to focus on the fundamentals of emergency management programs and services to improve our readiness. With new members within DEM and the county at large, focus need to be focused on increasing internal stakeholder knowledge of the DEM capabilities and resources. We need to continue to develop our cadre of emergency management responders and Employee Disaster Response program (EDRP) staff by created new training methods, tools and resources. We need to evaluate and simplify our outreach and education with clear messaging, robust social media campaigns, and targets messages. We will continue to improve our operational plans by drilling down into each plan to develop field operation guides, checklists, and quick reference guides. Additionally, we have several significant Public Assistance initiatives, to assist the county with recouping each and every dollar spent on disasters while we plan to work hard to maintain our operational readiness and sustain our momentum and progress on our projects and programs. And finally, we plan to engage our Emergency Medical Services (EMS) community in an update of the EMS Ordinance and bring technology and education campaigns into the program.

I am very proud of the accomplishments that the Division of Emergency Management staff has made over the past year. As you read through this document, I know that you will be proud of where we as a Division have been and the direction that we are heading.

The entire DEM Team looks forward to working with all of our partners throughout Palm Beach County, municipal governments, the private sector, faith-based and non-profit communities, and the 1.5 million County residents to bring about the outcomes set forth in this Plan. Your support and encouragement will ensure our collective success.

Mary Blakeney, Director

Ctober 1, 2020 Date

2022-2027 PBC DEM Five Year Strategic Plan 5

# **Operations**

- Host Shelters Identified:
  - \* Delray Beach Community Center
  - \* Trinity Church International
  - \* First Baptist Belle Glade
- Conducted Shelter Supervisor training for Palm Beach County (PBC) School District Principals and key school district employees
- Developed new tools for Special Needs Shelter Logistics management, Certified Nursing Assistants (CNA) contract management, and client tracking
- Special Needs Shelter Coordinating Procedure reviewed and approved
- Enhanced risk shelter services through new expanded shelter kits, vests, and Personal Protective Equipment (PPE)
- 880 Health Care Facility Comprehensive Emergency Management Plans (HCEMP) review hours
- Maintained active participation in the State Attorney's Elder Abuse Task Force

- Healthcare Emergency Response
   Coalition of Palm Beach County
  - Developed new plans and guidance for community healthcare partners
- Deployed two new boards in WebEOC
  - \* Mission Resource Board
  - \* Situation Report Board
- New voluntary partnerships include:
  - \* Broward College
  - \* Florida Atlantic University (FAU)
  - \* Hands Together for Haitians
  - \* First Baptist Belle Glade
  - \* Trinity Church International
  - \* Community of Hope Church (All Campuses)
  - Florida Department of Transportation (FDOT)
  - \* House of God Missions
  - \* Williams Professional Water Restoration Service
  - \* Accord Engineering
  - \* Association of Continuity Professionals (ACP)

### Outreach

- Performed Victims of Cyber Webinar (35 attendees)
- PBC Long-Term Recovery Coalition (LTRC) Annual Hurricane Season Webinar (81 attendees)
- LTRC Overview with Community of Hope Church
- LTRC Overview/Host Shelter Outreach with First Belle Glade Baptist Church
- LTRC Overview with Trinity Church International
- FDOT and PBC Division of Emergency Management meeting with District 4
- LTRC Overview with Hands Together for Haitians
- Attend Church United South Florida Gathering
- Business Resiliency Summit Planning Team with FAU
- Actively engaged in Florida Emergency Preparedness Association (FEPA) working groups
- Conducted 18 Special Needs Shelter training sessions

# Planning

- 7 plans revised, re-written and approved, including:
  - Post Disaster Redevelopment Plan (PDRP)
  - Domestic Security Hazard Specific Plan
  - \* Integrated Preparedness Plan
  - Resource Management Plan
  - Hazardous Materials Hazard Specific Plan
  - \* Special Needs Shelter Coordinating Procedure
  - Community Outreach Plan
- Implemented a risk-based pilot project to catalog 71 facilities in PBC which store or utilize toxic inhalation chemicals
- Developed curricula, trained, and qualified 21 new Radiation Safety Specialists
- Utilized FEMA-paid federal resources to deliver specialized radiation training to 88 responders
- NIMS Compliance Training increased from 65% in 2021 to 89% as of September 31, 2022
- Conducted an Adult CPR/AED training course for Community Emergency Response Team (CERT) members
  - \* Trained 17 volunteers

- Conducted first Teen CERT class
- Project Prioritization List (PPL)
  - Evaluated 89 mitigation projects for a total of \$287,987,294.60
- Hazard Mitigation Grant Program
  - \* Hurricane Dorian
    - 6 projects approved with a total obligated amount of \$937,450.05
  - \* COVID-19
    - 15 PPL projects applied for funding with a total cost of \$37,352,124.00
- 28 training and career announcements distributed

# **Admin/Finance**

- Public Assistance Program—Daily Activity Report (DAR) training
  - County-wide training held for supervisors and front-line staff
  - Presented 6 trainings for various county departments
  - \* 430 individuals attended the trainings

- Monthly Duty Officer meetings
  - Re-established regular meetings for Duty Officers
- Resumed Emergency Management (EM) TEAM meetings at the Emergency Operations Center (EOC)
- Resumed Municipal TEAM meetings at the EOC
- Friday FUNdamental meetings
  - Fundamental subjects of PBC
     Division of Emergency Management

is discussed to ensure the team is in unison

- Grants through Salesforce with Florida Division of Emergency Management (FDEM)
- Governor's Hurricane Conference
  - \* Attended Public Assistance courses
  - Attended course on the F-ROC program being developed by FDEM
    Public Assistance reimbursements for
    Hurricane Irma and Hurricane Dorian
    total to \$2,839,359.20
    Received \$870,758.00 in total grants
    Appeals on Public Assistance (PA)
    projects
  - Submitted 2 appeals to FEMA projects that were found to be either partially or completely ineligible for reimbursement
    - Category B appeal: appealed a partial ineligibility determination of \$217,295.66 of Emergency Protective Measures Force Account Labor (FAL)
    - Category G appeal: appealed a complete ineligibility determination of \$358,384.00 of a Singer Island Repair project

### **Emergency Medical Services (EMS)**

- Participated in the EMS Awards Ceremony in May 2022
  - Accepted the EMS Proclamation by the Board of County Commissioners
- Completed 239 EMS inspections from October 1, 2021 - September 31, 2022
- Issued 7 County Certificates of Public Convenience and Necessity (COPCN)
  - Includes a first time volunteer ambulance agency
- Attended two statewide EMS Meetings

- Awarded \$138,411 State EMS Grant money to be split between 11 PBC Fire Departments
- National Weather Service (NWS) Storm Ready Certification

- Identify an alternate Continuity of Operations (COOP) site for the Emergency Operations Center (EOC)
- Overhaul of shelter kits and supplies to include Personal Protective Equipment (PPE)
- Successful mobilization of Point of Distribution (POD) for COVID-19 testing kit distribution
- Upgraded EOC Computer technology
  - \* TV Control Computers
  - \* County Warning Point
  - \* Planning Suite
- Upgraded Division of Emergency Management (DEM) Activation Tower Lights
   throughout the EOC
- Replaced Broadcast Studio tables
- Upgraded video conferencing technology in EOC conference rooms
- Replaced DEM F-250 with a Ford Explorer

# 2021-22 Exercise Summary

Hostile Action Based Nuclear Power Plan Exercise (HABEX)

- EOC Functional Exercise, January 2022
- Field Full Scale Exercise, February 2022

CERT Full Scale Exercise, May 2022

- Domestic Security Tabletop Exercise, May 2022
- Under Siege (Statewide Exercise) Tabletop with Municipal Partner (flood exercise), May 2022
