Reference: Sole Source for Driving Simulation System Maintenance

Doron Precision Systems, Inc. is the only company in the United States that can provide on-going quality service on your Driving Simulation System manufactured by Doron Precision Systems, Inc.

Doron Precision Systems, Inc. is the *only source* for the proprietary parts and licensed software used in these systems. Parts and software are not sold to any other servicing agencies.

Our service personnel are *factory trained* and based at various locations throughout the contiguous United States. Each serviceman carries their own parts inventory which enables them to perform most repairs while on site, thereby reducing system down time.

If you have any other questions, please feel free to call me at (607) 772-1610 ext. 322 or email: csloma@doronprecision.com.

Sincerely,
