Dear James,

The letter is to confirm that Siemens Industry, Inc. dba Russelectric, A Siemens Business does not authorize nor does it recognize maintenance, upgrades or repairs performed by third parties on Russelectric Control and Switchgear equipment. The Emergency equipment manufactured by Siemens Industry, Inc. dba Russelectric, A Siemens Business and installed at your facility is a custom-built system. Siemens Industry, Inc. dba Russelectric, A Siemens Business maintains a staff of factory employed and fully trained field service engineers that are qualified to perform annual inspections, maintenance, repairs and necessary enhancements and upgrades. There are no third-party service organizations that have the expertise, experience and record documentation to enable them to fully support a complex specialty system of this type. Further, any maintenance or modification work performed on your Russelectric equipment by third parties will not be documented at Siemens Industry, Inc. dba Russelectric, A Siemens Business and will prevent Siemens Industry, Inc. dba Russelectric, A Siemens Business from providing competent emergency service when required.

We hope this meets with your approval and if you have any questions, please feel free to contact us.
