RE: SOLE SOURCE JUSTIFICATION (EXTENDED TERM)

The user department has stated that CLA-VAL COMPANY, PRESSURE REDUCTING PILOT SYSTEM KIT, OEM PARTS , REMOVAL AND INSTALLATION SERVICES, is the ONLY product / source of service that will meet the County's need for EQUIPMENT USED IN THE WATER AND WASTEWATER PLANT IN THE SOUTH REGION RECLAIM. Based on staff's knowledge of the marketplace, we believe this to be an accurate assessment.

It has also been determined and attested to by DANIEL ESSER, CLA-VAL CO. (manufacturer) that FLUID CONTROL SPECIALISTIES (vondor / supplier) is the ONLY source of supply for the above referenced product / service (see attached).

We anticipate that the circumstances justified by this sole source request is valid up to the next 60 months (maximum 60 months).

PURCHASING APPROVAL:

Based on the information provided to me, including the manufacturer's certification that they or their representative are the sole provider of this good or service, the user's certification that this is the only good or service which will suffice their needs, and a justifiable expectation that these conditions will not change in the foreseeable future, I hereby approve the sole source acquisition of the subject good or service for a period not to exceed sixty months. The user department is responsible for monitoring the marketplace and, if the above described sole source conditions change, discontinue use of this sole source justification and procure the goods or services competitively.
