Qualifier's Name:

Complete the Owner's Authorization on this page, and the Applicant Authorization Certification.

Submit the required Application Fee of \$50.00

NOTE: A Building Inspector will inspect the construction and reclamation of the excavated area, prior to issuance of Certificate of Occupancy or Certificate of Completion. The property owner shall submit to the Building Division, Field Inspection Section, a Certificate of Compliance, a survey signed and sealed by a registered Land Surveyor, showing the location, size, depth, and slopes of the excavation utilizing the standards, as listed on back page of this application, prior to scheduling a final inspection.

I, the owner of the property described above, authorize the excavation as outlined in this application to be performed on the subject property.

**APPLICATION REQUIREMENTS/STANDARDS
PLEASE READ AND COMPLY WITH THE FOLLOWING REQUIREMENTS**

1. Approved concurrent with a receipt of a building permit for a single family residence.
2. A general survey showing the standards listed below, and a statement estimating the amount of excavated material in a cubic yards.
3. Minimum lot size one (1) acre or larger.
4. Maximum size excavated is .02 acres or larger.
5. No fill to be removed from site.
6. Setbacks (measured from the edge of water unless noted otherwise):
Fifty (50) feet from any well.
One hundred (100) feet from any septic system.
Fifteen (15) feet from any property line after Certificate of Occupancy is issued.
Five (5) feet from the top of bank to any property line.
7. Maximum Depth of Ten (1) feet measured from Ordinary Water Level (OWL)
Slopes of Four (4) to one (4:1) from the top of bank to a depth of minus two (-2) feet (OWL)
A cross section of the pond shall be drawn on the survey.
8. Reclamation:
A certificate of Compliance, signed and sealed by a registered land Surveyor, and including a survey indicting location, size, depth, setbacks, and slopes must be submitted by property owner or contractor to Building Division, Field Inspection Section, prior to scheduling final inspection. All side slopes shall be planted with appropriate ground cover or seeded. (Note: if seeding is used, a minimum of fifty percent coverage shall be obtained before the C.O. can be released).

I, the undersigned have read and understand the information regarding the standards and regulations for the construction of a Type 1(A) Excavation. I/We certify that the above statements and the statements or showings made in any paper or plans submitted herewith is accurate and factual to the best of my/our knowledge and belief. Further, I/we understand that this application, attachments, and fees become part of the official records of the Planning, Zoning and Building Department of Palm Beach

County and may not be refundable. I/We understand that any knowingly false information given my me/us will result in the denial of the application. I/We further acknowledge that the additional information may be required by Palm Beach County in order to process the application.
