		<u>27</u>	<u>3/28/2003</u>	Aimee, Denis, Matt, Danny, Jeff	Cmt continued its review of the draft PUD regulations. Comments focussed on cost, need and justification of the performance standards including street lighting, street trees, bike lanes, focal points, nhood park, drainage, ZLL and side loading garages. Land use mix provisions are unclear and conflicting with other provisions. PDRs are unclear. Civic provisions are especially unclear and appear to be a disincentive or hardship for smaller projects.	Next meeting is April 4th at 9am. ACC We will continue with pg 44, Section E.
