Barbara Pinkston explained the following: For those of you who are not familiar with how Staff conducts these meetings, the agenda is typically divided into two parts - the Consent Agenda and the Regular Agenda. Items on the Consent Agenda are items that have been approved by Staff, with the Applicant agreeing to the Conditions of Approval with no opposition from the public. If an item is on the Consent Agenda and remains on the Consent Agenda, the Variance is approved and the Applicant is free to leave after the Staff presentation and receipt of their Result Letter. If there is opposition from the public or if the Applicant does not agree with the Conditions of Approval, an item can be reordered to the Regular Agenda. Items on the Regular Agenda include those which have been reordered from the Consent Agenda, have opposition from the public, or the Applicant does not agree with the Conditions of Approval imposed by staff. The meeting will begin with Staff's presentation, findings of fact and recommendation, followed by the Owner's presentation. Following the Owner's presentation, the public portion of the meeting will be open to allow members of the public to comment on the Variance request. If any information or documents presented to Staff at the meeting, from the public or the Applicant that may affect Staff's decision, a 30 day postponement may be requested to allow Staff time to review this information.
