

RESOLUTION NO. R-2005- 0144

RESOLUTION APPROVING ZONING PETITION DOA2004-218  
(CONTROL NO. 1992017)  
DEVELOPMENT ORDER AMENDMENT  
PETITION OF LAND PASSAGES, INC.  
BY JEFF IRAVANI INC, AGENT  
(JUPITER FARMS SHOPPING CENTER)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, and the Palm Beach County Unified Land Development Code, is authorized and empowered to consider petitions relating to zoning; and

WHEREAS, the notice and hearing requirements, as provided for in Article 2 of the Palm Beach County Unified Land Development Code, have been satisfied; and

WHEREAS, Zoning Petition DOA2004-218 was presented to the Board of County Commissioners at a public hearing conducted on January 27, 2005; and

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the petitioner and other interested parties, and the recommendations of the various county review agencies; and

WHEREAS, this approval is subject to Article 2.E (Compliance with Time Limitations), of the Palm Beach County Unified Land Development Code and other provisions requiring that development commence in a timely manner; and

WHEREAS, the Board of County Commissioners has considered the findings in the staff report and the following findings of fact:

1. This Development Order Amendment is consistent with the Palm Beach County Comprehensive Plan.
2. This Development Order Amendment complies with the relevant and appropriate portions of Article 6, Supplementary Use Standards; of the Palm Beach County Unified Land Development Code.
3. This Development Order Amendment is consistent with the requirements of the Palm Beach County Unified Land Development Code.
4. This Development Order Amendment, with conditions as adopted, is compatible as defined in the Palm Beach County Unified Land Development Code and generally consistent with the uses and character of the land surrounding and in the vicinity of the land proposed for development.
5. This Development Order Amendment, with conditions as adopted, complies with the standards imposed on it by applicable provisions of the Palm Beach County Unified Land Development Code for use, layout, function, and general development characteristics.
6. This Development Order Amendment meets applicable local land development regulations.
7. This Development Order Amendment, with conditions as adopted, minimizes adverse effects, including visual impact and intensity of the proposed use on adjacent lands.
8. This Development Order Amendment has a concurrency determination and complies with Article 11 (Adequate Public Facility Standards) of the Palm Beach County Unified Land Development Code.

9. This Development Order Amendment, with conditions as adopted, minimizes environmental impacts, including but not limited to water, air, stormwater management, wildlife, vegetation, wetlands and the natural functioning of the environment.
10. This Development Order Amendment, with conditions as adopted, will result in logical, timely and orderly development patterns.

WHEREAS, Article 2.K.3.b of the Palm Beach County Unified Land Development Code requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Petition DOA2004-218, the petition of Land Passages, Inc. by Jeff Iravani Inc, agent, for a Development Order Amendment to modify/delete conditions of approval, allow an assembly nonprofit, membership, and reconfigure the site plan for a Special Exception to allow a Planned Commercial Development on a parcel of land legally described in EXHIBIT A, attached hereto and made a part hereof, and generally located as shown on a vicinity sketch attached as EXHIBIT B, attached hereto and made a part hereof, was approved on January 27, 2005, subject to the conditions of approval described in EXHIBIT C, attached hereto and made a part hereof.

CONDITIONS OF APPROVAL

NOTE: All previous conditions of approval are shown in **BOLD** and will be carried forward with this petition unless expressly modified.

A. ALL PETITIONS

1. Condition A.1 of Resolution R-2002-1469, Petition 1992-017(E), which currently states:

**All previous conditions of approval applicable to the subject property, as contained in Resolutions R-2001-0431 (Petition 1992-01 7D) have been consolidated as contained herein. The petitioner shall comply with all previous conditions of approval and deadlines previously established by Section 5.8 of the ULDC and the Board of County Commissioners, unless expressly modified. (ONGOING: MONITORING – Zoning)**

Is hereby amended to read:

All previous conditions of approval applicable to the subject property, as contained in Resolution R-2002-1469 (Petition 1992-017(E)) have been consolidated as contained herein. The property owner shall comply with all previous conditions of approval and deadlines previously established by Article 2.E of the ULDC and the Board of County Commissioners, unless expressly modified. (ONGOING: MONITORING – Zoning)

2. Condition A.2 of Resolution R-2002-1469, Petition 1992-017(E), which currently states:

**Development of the site is limited to the uses and site design as approved by the Board of County Commissioners. The approved site plan is dated June 28, 2002. All modifications must be approved by the Board of County Commissioners unless the proposed changes are required to meet conditions of approval or are in accordance with the ULDC. (ONGOING: ZONING – Zoning)**

Is hereby amended to read:

Development of the site is limited to the uses and site design as approved by the Board of County Commissioners. The approved site plan is dated July 19, 2004. All modifications must be approved by the Board of County Commissioners unless the proposed changes are required to meet conditions of approval or are in accordance with the ULDC. (ONGOING: ZONING - Zoning)

3. **The following terms are used to address site design and building design conditions as set forth in this resolution.**
  - a. **Main portion of the shopping center means anchor stores and inline commercial uses, the primary building on site.**
  - b. **Outparcel buildings mean all freestanding buildings fronting on Jupiter Farms Rd. and Indiantown Rd. and clustered around the rectangular shaped open space area in the northwestern portion of the center. If the conditions need to distinguish between outparcels fronting on Indiantown Rd. or Jupiter Farms Rd and**

the outparcels clustered around the open space; reference to the outparcel buildings around open space will be referred to as Village Green outparcels.

- c. **Principal and accessory structures shall mean all buildings on site. (ONGOING: ZONING – Zoning) (Previous Condition A.3 of Resolution R-2002-1469, Petition 1992-017(E))**

**B. ARCHITECTURAL CONTROL AND BUILDING DESIGN**

1. **All structures on site constructed after July 27, 1995, shall be construed of the following exterior materials and incorporate the architectural design elements listed below. This requirement shall be executed in the form of a covenant, as amended, recorded in the official public records of Palm Beach County and shall run with the land. The form of the covenant shall be approved by the County Attorney's office prior to site plan certification. The amended covenant shall be approved by the County Attorney's office and recorded in the official public records prior to September 26, 1995.**

**All structures on site shall be constructed to be in the rural, rustic character as defined in the conditions herein. Examples of the rural, rustic character include the Valmeron and Burt Reynolds commercial structures, as well as the illustrations in Attachment 2a-2c and 3.**

- a. **The exteriors of all principal and accessory buildings and structures shall be finished with one of the following:**

1. **100% natural wood horizontal or vertical (board and batten) siding or materials similar in appearance and color to wood such as aluminum, vinyl or fiberglass siding;**
2. **Clay brick or clay brick veneer; or,**
3. **Textured stucco with decorative wood detailing. The exterior finish on the front and all sides of the main portion of the shopping center may be a maximum of 20 percent of textured stucco. The rear side of the main portion of the shopping center may be wholly finished in stucco. All exterior sides of any out parcel structure may be a maximum of 20 percent textured stucco. Stucco elements included in the rear of the main shopping center structure shall include:**
  - a. **Wood trim around doors and windows; and,**
  - b. **Decorative wood detail including moldings and horizontal and vertical members.**

**Natural wood or wood substitutes shall be weathered, stained, or painted.**

- b. **The roofs, roof overhangs, canopies, and awnings of all principal and accessory structures shall be constructed with a minimum pitch of at least five (5) inches vertical rise for each twelve (12) inches of horizontal run, and use of hip and gable treatment.**
  1. **All out parcel structures shall be constructed with a pitched roof, covering one hundred percent of the structure. A false-pitched roof shall not be permitted.**

2. **The roofs of all structures within the main portion of the shopping center may be false pitch roofs, utilizing a hip-on-deck roof treatment, subject to all of the following standards and as generally illustrated in Attachment 2a - 2c.**
  - a. **All mechanical equipment located on flat roofs shall be screened from view on all sides;**
  - b. **The false pitch roof shall extend along the entire front and along all sides, except the rear side, of all the structures within the main portion of the shopping center, and,**
  - c. **All roof lines shall not run in a continuous distance for more than 250 feet without offsetting or jogging the roof plane.**

**The length of the face of any false pitch roof construction in conjunction with the main portion of the shopping center shall be proportional to the height of the building measured from the finish grade elevation to the top of the pitched roofline. The intent of this requirement is to provide to public view the perception of true, complete pitch roof.**

**Roofs, canopies, awnings, and roof overhangs shall be constructed of one of the following materials:**

1. **Metal/batten standing seam;**
2. **Asphalt shingle with architectural relief; or,**
3. **Wood shakes or wood shingles, or shakes or shingles similar in appearance to wood.**

**Roof overhangs shall provide either exposed rafter tails or ceilings covered completely with wood or materials similar in appearance, texture and color to painted or stained wood.**

- c. **Roof elements such as dormers, cupolas, etc., shall be installed in all pitched roofs, excluding parapet roofs. Roof elements shall be constructed in the same style and same materials as the principal structure supporting the roof. Required roof elements shall be installed on all sides of all pitched roofs. Gables covering porch entries may substitute for dormers. All structures shall provide either exposed rafter tails or ceilings covered completely with wood or materials similar in appearance, texture and color to painted or stained wood.**
- d. **All building structures shall include porches as identified on Attachment 2a -2c and 3 and shall be subject to the following:**
  1. **Porches shall be a minimum clear, unobstructed width of at least ten feet for the main portion of the shopping center and shall be a minimum of 8 feet for all out parcel buildings;**
  2. **Porches may be required to be a greater width depending upon the size and use of the building;**
  3. **Porches for all out parcel buildings shall be installed as indicated in Attachment 2a - 2c and 3;**
  4. **Porches for the main portion of the shopping center shall be installed along the entire north and east portions of the structure;**

5. Porches shall incorporate railings and decorative posts or latticework along the entire perimeter, excluding pedestrian access points;
6. Porches shall be roofed with a minimum overhang of 12 inches over the edge of the porch;
7. Porches for all out parcel structures shall include columns placed approximately 8 - 10 feet on center;
8. Porches within the main portion of the shopping center shall include columns placed not more than 24 feet on center;
9. Porches shall be constructed of the same materials and in the same architectural style of the principal structure; and,
10. Porches may be interrupted by required emergency exits, paved pedestrian entrances, and loading areas.

e. **Window frames in all building structures shall comply with the standards indicated below:**

1. **Window frames shall be constructed of 100% natural wood or be finished in a material similar in appearance and color to natural wood, or be painted in the same color as the structure's wood trim; and,**
2. **Windows shall be or appear to be divided into panes and sashes through the use of structural or nonstructural architectural features.**

**Window glass shall be clear, with a minimum of 88% light transmission, or as otherwise required by the State of Florida energy code.**

f. **Front and side doors in all building structures shall comply with the standards indicated below:**

1. **Doors shall be constructed of 100% natural wood or be finished in a material similar in appearance and color to wood, or be painted in the same color as the structure's wood trim;**
2. **Doors shall include view panels, transoms, panels, crossbucks or similar architectural details; and,**
3. **Doors containing windows shall be or appear to be divided into panes finished through the use of mullions or similar architectural features.**

g. **Wood trim around doors and windows shall be painted in a color that contrasts with the color of the principal structure.**

h. **Exterior building colors, for all structures, including the principal colors for the structures themselves and the details (trims, moldings, etc.) shall contrast. Light grays, whites, eggshell, and pale greens shall be contrasted with dusty red, browns, dark grays and dark greens. However all structures shall be finished in a unified color scheme.**

i. **Either white corral or picket fencing shall be installed along the entire northern and eastern perimeter of the shopping center property. The fencing shall be at least four (4) feet in height measured from finished grade, uniform in nature, and installed according to the following schedule:**

1. **The fence along the entire northern perimeter of the shopping center shall be installed by September 30, 1997**

or within 90 days following the installation of sidewalks along the southern portion of Indiantown Road, whichever first occurs;

2. The fence along the entire eastern portion of the preserve area shall be installed not later than October 25, 1995;
  3. The remainder of the fence along the eastern perimeter of the site shall be installed by September 30, 1997 or within 90 days following the installation of sidewalks along the western portion of Jupiter Farms Road, whichever first occurs; and,
  4. The wall and landscaping along the southern and western perimeter of the site shall be installed prior to the issuance of any certificates of occupancy for any structure constructed as part of Phase 3 of the shopping center. (BLDG PERMIT/ONGOING: BLDG PERMIT/ZONING – Zoning) (Previous Condition B.1 of Resolution R-2001-0431, Petition 1992- 017(E))
2. All rooflines shall not run in continuous place for more than 250 feet without offsetting or jogging the roof plane. (BLDG PERMIT/ONGOING: BLDG PERMIT/ZONING – Zoning) (Previous Condition B.2 of Resolution R-2001-0431, Petition 1992- 0170 )
  3. The maximum height for all structures shall be as follows:
    - a. The maximum height for all structures, except a grocery store or churches and places of worship, shall not exceed one story or twenty-five (25) feet, measured from finished grade to highest point, unless required to comply with the architectural conditions outlined in A.1.
    - b. The maximum height for a grocery store or churches and places of worship shall not exceed thirty-five (35) feet, measured from finished grade to highest point. If a full (real) pitched roof is constructed in order to comply with the architectural requirements of condition A.1. herein, then the height for the grocery store or churches and places of worship may exceed thirty-five feet to the minimum amount possible, if setbacks can be met. Any portion of a roof extending beyond the height limit provided herein shall not be used for tenant space. (BLDG PERMIT/ONGOING: BLDG/ZONING) (Previously Condition B.3 of Resolution R-2001-0431, Petition 1992-017(E))
  4. All mechanical and air conditioning equipment shall be screened from view on all sides in a manner consistent with the color and character of the structure supporting said equipment or equivalent landscape material acceptable to the Zoning Division. (BLDG PERMIT/ONGOING: BLDG/ZONING – Zoning) (Previous Condition B.4 of Resolution R-2001-0431, Petition 1992-017(E))
  5. All structures shall have a similar architectural treatment on all sides. (BLDG PERMIT/ONGOING: BLDG/ZONING – Zoning) (Previous Condition B.5 of Resolution R-2001-0431, Petition 1992-017(E))
  6. Building permits for any structure shall not be issued until the permit is reviewed by the Zoning Director for compliance with all conditions. (BLDG PERMIT/ONGOING: BLDG/ZONING) (Previous Condition B.6 of Resolution R-2001-0431, Petition EAC92-017(E))

C. CERTIFIED SITE PLAN

1. **Prior to site plan certification of the first phase, the site plan shall be amended to indicate asphalt pedestrian and bicycle access to the shopping center from the east and west along Indiantown Road and from the south along Jupiter Farms Road. (DRO: ZONING – Zoning) (Previous Condition C.1 of Resolution R-2002-1469, Petition 1992-017(E))**
2. **Prior to site plan certification of the first phase, the site plan shall be amended to indicate at grade striped pedestrian and bicycle cross walks across all vehicular use areas where appropriate, as determined by the County Engineer. All cross walks shall be marked with an above grade sign. (DRO: ENG/ZONING – Zoning) (Previous Condition C.2 of Resolution R-2002-1469, Petition 1992-017(E))**
3. **Asphalt sidewalks shall be installed within landscaped areas and adjacent to vehicular use areas and along all property lines where necessary, as determined by the County Engineer. (DRO: ENG/ZONING – Zoning) (Previous Condition C.3 of Resolution R-2002-1469, Petition 1992-017(E))**
4. **Prior to the issuance of the last Certificate of Occupancy for the main shopping center or October 23, 1998, whichever comes first, the property owner shall construct the necessary improvements required by the conversion of the three (3) designated shopping corrals into parking spaces and the enlarged landscape islands adjacent to the three (3) preserved trees. The location of these changes shall be consistent with site plan dated July 9, 1998. All necessary revisions to the site plan and building permit plans of record shall be done prior to commencement of the required improvements. (DRO/CO/DATE: ZONING/BLDG/MONITORING – Zoning) (Previous Condition C.4 of Resolution R-2002-1469, Petition 1992-017(E))**
5. **Prior to site plan certification of the first phase, the site plan shall be amended to indicate customer drop-off/loading areas in front of the shopping center. Each drop-off/loading area shall be a minimum of twelve (12) feet in width by twenty (20) feet in length. (DRO: ZONING – Zoning) (Previous Condition C.5 of Resolution R-2002-1469, Petition 1992-017(E))**
6. **Prior to January 1, 2001, construction of the equestrian access over the South Indian River Water Control District (SIRWCD) Canal No. 1 shall be completed by the petitioner should approval from the SIRWCD is granted. The access shall be located on the south side of the site as indicated on the site plan dated July 9, 1998 as presented to the BCC. Access shall be in the form of a bridge designed in a manner consistent with the Jupiter Farms Neighborhood Plan, as determined by the Zoning Director. The property owner shall coordinate with the County and the residents in petitioning the South Indian River Water Control District (SIRWCD) to construct an equestrian bridge over Canal One. The petitioner shall exercise due diligence and ensure that every reasonable effort is put forth when petitioning the SIRWCD. (CO/DATE: BLDG/MONITORING/ZONING – Zoning) (Previous Condition C.6 of Resolution R-2002-1469, Petition 1992-017(E))**
7. **Prior to the issuance of the final Certificate of Occupancy for the main shopping center or January 1, 1999, whichever comes first, a minimum ten (10) foot wide equestrian bridle path from the tethering/picnic area to the southern bridge shall be constructed. The path shall be constructed with materials as recommended and approved by the Equestrian Association. Documentation from the Equestrian Association shall be provided to the Zoning Division prior to the**

**issuance of the final Certificate of Occupancy for the main shopping center or January 1,1999, whichever comes first. Amendments to the annual maintenance program of all required equestrian bridle paths shall be assured by the petitioner in a form acceptable to the County Attorney prior to the issuance of the final certificate of occupancy for the main shopping center or January 1, 1999, whichever comes first. (CO/DATE: BLDG/ZONING/MONITORING – Zoning/County Atty) (Previous Condition C.7 of Resolution R-2002-1469, Petition 1992-017(E))**

8. Condition C.8 of Resolution R-2002-1469, Petition 1992-017(E))

**Prior to November 23,1998, the petitioner shall receive approval by the Development Review Committee (DRC) for the certification of the site plan approved by the Board of County Commissioners dated July 9, 1998. The certified site plan must include all site elements affected by the conditions of approval of the adopted resolution. Site plan modifications shall comply with all ULDC requirements, as amended for the affected areas. (DATE/DRO: MONITORING – Zoning)**

Is hereby amended to read:

Prior to November 23,1998, the petitioner shall receive approval by the Development Review Officer (DRO) for the certification of the site plan approved by the Board of County Commissioners dated July 9, 1998.
