

RESOLUTION NO. R-2008- 1706

RESOLUTION APPROVING ZONING APPLICATION ZV/DOA/R-2007-01597
(Control No. 1998-00023)
REQUESTED USE
APPLICATION OF Publix Super Markets Inc
BY Ruden, McClosky, AGENT
(Pratt and Orange MUPD)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider applications relating to zoning; and

WHEREAS, the Board of County Commissioners, pursuant to Article 2 (Development Review Process) of the Palm Beach County Unified Land Development Code (Ordinance 2003-067, as amended) is authorized and empowered to consider, approve, approve with conditions or deny Requested Uses; and

WHEREAS, the notice and hearing requirements, as provided for in Article 2 of the Palm Beach County Unified Land Development Code have been satisfied; and

WHEREAS, Zoning Application ZV/DOA/R-2007-01597 was presented to the Board of County Commissioners at a public hearing conducted on September 29, 2008; and

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the applicant and other interested parties, the recommendations of the various county review agencies, and the recommendations of the Zoning Commission; and

WHEREAS, this approval is subject to Article 2.E (Monitoring) of the Palm Beach County Unified Land Development Code (ULDC) and other provisions requiring that development commence in a timely manner; and

WHEREAS, the Board of County Commissioners has considered the findings in the staff report and the following findings of fact:

1. This Requested Use is consistent with the purposes, goals, objectives and policies of the Palm Beach County Comprehensive Plan, including standards for building and structural intensities and densities, and intensities of use.
2. This Requested Use complies with relevant and appropriate portions of Article 4.B, Supplementary Use Standards of the Palm Beach County Unified Land Development Code, including Article 4.B.1.A.18.a and b, and is appropriately located. This Requested Use also meets applicable local land development regulations.
3. This Requested Use, with conditions as adopted, is compatible as defined in the Palm Beach County Unified Land Development Code and generally consistent with the uses and character of the land surrounding and in the vicinity of the land proposed for development.
4. The proposed design, with conditions as adopted, minimizes adverse effects, including visual impact and intensity of the proposed use on adjacent lands.
5. This Requested Use has a concurrency determination and complies with Article 2.F (Concurrency) of the ULDC.
5. This Requested Use, with conditions as adopted, minimizes environmental impacts, including but not limited to water, air, stormwater management, wildlife, vegetation, wetlands and the natural functioning of the environment.

7. This Requested Use, with conditions as adopted, will result in logical, timely and orderly development patterns.
8. This Requested Use, with conditions as adopted, complies with standards imposed on it by all other applicable provisions of the Palm Beach County Unified Land Development Code for use, layout, function, and general development characteristics.
9. This Requested Use, with conditions as adopted, is consistent with the applicable Neighborhood Plans.
10. The applicant has demonstrated sufficient justification that there are changed circumstances, which would require the Requested Use.

WHEREAS, Article 2.A.1.K.3.b (Action by BCC) of the Palm Beach County Unified Land Development Code requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Application R-ZV/DOA/R-2007-01597, the application of Publix Super Markets Inc, by Ruden, McClosky, agent, for a Requested Use to allow an Auto Service Station in the MUPD Zoning District, on a parcel of land legally described in EXHIBIT A, attached hereto and made a part hereof, and generally located as shown on a vicinity sketch as indicated in EXHIBIT B, attached hereto and made a part hereof, was approved on September 29, 2008, subject to the conditions of approval described in EXHIBIT C, attached hereto and made a part hereof.

CONDITIONS OF APPROVAL

COMPLIANCE

1. In granting this approval, the Board of County Commissioners relied upon the oral and written representations of the petitioner both on the record and as part of the application process. Deviations from or violation of these representations shall cause the approval to be presented to the Board of County Commissioners for review under the compliance condition of this approval. (ONGOING: MONITORING - Zoning)
2. Failure to comply with any of the conditions of approval for the subject property at any time may result in:
 - a. The issuance of a stop work order; the issuance of a cease and desist order; the denial or revocation of a building permit; the denial or revocation of a Certificate of Occupancy; the denial of any other permit, license or approval to any developer, owner, lessee, or user of the subject property; the revocation of any other permit, license or approval from any developer, owner, lessee, or user of the subject property; revocation of any concurrency; and/or
 - b. The revocation of the Official Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or any other zoning approval; and/or
 - c. A requirement of the development to conform with the standards of the ULDC at the time of the finding of non-compliance, or the addition or modification of conditions reasonably related to the failure to comply with existing conditions; and/or
 - d. Referral to code enforcement; and/or
 - e. Imposition of entitlement density or intensity.

Staff may be directed by the Executive Director of PZ&B or the Code Enforcement Special Master to schedule a Status Report before the body which approved the Conditional Use, Type II Variance, Development Order Amendment, and/or other zoning approval, in accordance with the provisions of Section 2.E of the ULDC, in response to any flagrant violation and/or continued violation of any condition of approval.

Departmental administrative actions made pursuant to this condition may be appealed as provided in the Unified Land Development Code (ULDC), as amended. Appeals of any revocation of a Conditional Use, Type II Variance, Development Order Amendment or other actions based on a Zoning Commission decision shall be by petition for writ of certiorari to the Circuit Court, Appellate Division, 15th Judicial Circuit of Florida. The 3.18 acre civic site shall be limited to public civic uses as defined in the ULDC, such as day care centers, churches, and any other civic uses (subject to the appropriate approval) as long as those uses are open to the general public. (ONGOING: PREM Prem)

Is hereby amended to read:

The 3.18 acre civic site shall be limited to public and private civic uses as defined in the ULDC, such as day care centers, churches, and any other civic uses (subject to the appropriate approval). (ONGOING: PREM - Prem)

ENGINEERING

1. Prior to December 31, 2003, or prior to the issuance of the first Building Permit, whichever shall first occur, the property owner shall convey to Palm Beach County Land Development Division by road right-of-way warranty deed for:

- a. Lyons Road, one hundred (100) feet of right of way on an alignment approved by the County Engineer;
- b. Dillman Road, an additional twenty-six (26) feet of right-of-way along the project's north right of way line; and,
- c. 7th Place South, an additional fifteen (15) feet of right-of-way along the project's north right of way line.

This right of way shall be free of all encumbrances and encroachments on an alignment approved by the County Engineer within the projects limits. Property owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. Right-of-way conveyances shall also include "Corner Clips" where appropriate at intersections as determined by the County Engineer. (Previous Condition E1 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE/BLDG PRMT: MONITORING Eng)

2. Prior to December 31, 2003, the property owner shall convey a roadway construction easement to Palm Beach County at the Projects Entrance Road(s). This roadway construction easement shall contain an isosceles trapezoid connecting the required corner clips across this property owner's road right of way. Construction by the applicant within this easement shall conform to Palm Beach County Standards and Codes. The location, legal sketches and the dedication documents shall be approved by the County Engineer prior to final acceptance. (Previous Condition E2 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE: MONITORING Eng)

3. Prior to December 31, 2003, the property owner shall convey a temporary roadway construction easement along Lyons Road and Dillman Road to Palm Beach County. Construction by the applicant within this easement shall conform to all Palm Beach County Standards and Codes. The location, legal sketches and dedication documents shall be approved by the County Engineer prior to final acceptance. (Previous Condition E3 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE: MONITORING Eng)

4. The Property owner shall fund the construction of a left turn lane south approach on Lyons Road at the projects entrance road. Funding for this construction shall be completed on or before December 31, 2003 based on a certified cost estimate provided by the Developer's Engineer, and approved by the County Engineer. Any and all costs associated with the construction shall be paid by the property owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way. (Previous Condition E4 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE: MONITORING Eng)

5. On or before December 31, 2003, the property owner shall convey to Palm Beach County sufficient road drainage easement(s) through the project's internal drainage system, as required by and approved by the County Engineer, to provide legal positive outfall for runoff from those segments of Lyons Road along the property frontage; and a maximum eight hundred (800) feet of these adjacent roadway(s). The limits of this additional eight-hundred (800) feet of drainage shall be determined by the County Engineer. Said easements shall be no less than twenty (20) feet in width. Portions of such system not included within roadways or waterways dedicated for drainage purposes will be specifically encumbered by said minimum twenty (20) foot drainage easement from the point of origin, to the point of legal positive outfall. The drainage system within the project shall have sufficient retention/detention, Compensating storage within this projects retention system as required by all permitting agencies, and conveyance capacity to meet the storm water discharge and treatment requirements of Palm Beach County and the applicable Drainage District, as well as the South Florida Water Management District, for the combined runoff from the project to accommodate the ultimate Thoroughfare Plan Road Section(s) of the included segment. If required and approved by the County Engineer the property owner shall construct within the proposed drainage easements a minimum of twenty-four (24) inch closed piping system and appropriate wingwall or other structures as required by and approved by the County Engineer. Elevation and location of the entire drainage system shall be approved by the County Engineer. Any and all excess

fill material from excavation by Palm Beach County within said easements shall become the property of Palm Beach County which at its discretion may use this fill material. (Previous Condition E5 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE: MONITORING Eng)

6. The Developer shall be restricted to the following phasing schedule:

- a. No Building permits may be issued until the contracts have been let for the construction of the two (2) laning of Lyons Road from Forest Hill Boulevard to Southern Boulevard. (BLDG PRMT: MONITORING Eng)
- b. No certificates of occupancy shall be issued until two (2) lane-paved access to the site is provided from Lyons Road. (CO: MONITORING Eng)
- c. Building permits for more than one hundred and two (102) single-family dwelling units and one (1) Church (maximum 10,000 square feet) shall not be issued until the contracts have been let for the eight (8) lane construction of Southern Boulevard from Royal Palm Beach Boulevard to Kirk Road. (BLDG PRMT: MONITORING Eng)
- d. No building permits shall be issued after December 31, 2006 unless a time extension has been approved by the County Engineer based upon an approved Traffic Study which complies with the mandatory Traffic performance Standards in place at the time of the time extension request. (Previous Condition E6 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DATE: MONITORING Eng)

7. The petitioner shall include in the homeowners' documents and all sales contracts, as well as all sales brochures, Master Plans and related Site Plans a disclosure statement identifying Lyons Road as a planned thoroughfare roadway adjacent to or through this property. This shall also include the ultimate number of lanes for the road(s). Information, which appears in written form shall appear in bold print.

The property owner shall submit documentation of compliance with this condition on an annual basis to the Monitoring Section of Planning, Zoning and the Building Department. The next report shall be submitted on or before December 15, 2003, and shall continue on an annual basis until all units within the development have been sold or the developer relinquishes control to the homeowners association. (DATE: MONITORING Eng)

The subject property shall be appropriately signed by the developer prior to the issuance of the first building permit. Sign locations shall be indicated both on the Master Plan and appropriate Site Plans. (Previous Condition E7 of Zoning Resolution R-2003-0330, Control Number 2002-052) (BLDG PRMT: MONITORING Eng)

8. No construction traffic shall be permitted to use 7th Place South during the construction of the site. (Previous Condition E8 of Zoning Resolution R-2003-0330, Control Number 2002-052) (ONGOING: CODE ENF - Eng)

9. Prior to final certification of the Preliminary Development Plan, the Developer shall align the project entrance with 7th Place South. (Previous Condition E9 of Zoning Resolution R-2003-0330, Control Number 2002-052) (DRO: ENG Eng)

10. In order to comply with the mandatory Traffic Performance Standards, the Property owner shall be restricted to the following phasing schedule:

- a. No Building Permits for the site may be issued after January 1, 2011. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Article 2, Section E of the Unified Land Development Code. (DATE: MONITORING-Eng)
- b. Building Permits for more than:
178 single family dwelling units and a private school enrollment of more than 203 students (equivalent of 294 AM Peak Hour trips) shall not be permitted until construction commences for dual left turn lanes north approach at the intersection of Lyons Road at

Forest Hill Boulevard. BLDG PERMIT: MONITORING-Eng)

11. Acceptable surety required for the construction of the dual left turn lanes, north approach at the intersection of Lyons Road at Forest Hill Boulevard as outlined in Condition No. 10B above shall be posted with the Office of the Land Development Division on or before March 29, 2009. Surety shall be in the amount of 110% based upon a Certified Cost Estimate provided by the Property owner's Engineer. (TPS - Maximum 6 month time extension) (DATE:MONITORING-Eng)

12. The Property owner shall construct a left turn lane north approach on Lyons Road at the projects entrance.

This construction shall be concurrent with the paving and drainage improvements for the site. Any and all costs associated with the construction shall be paid by the property owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

a. Permits required from Palm Beach County for this construction shall be obtained prior to the issuance of the first Building Permit. (BLDG PERMIT: Monitoring-Eng)

b. Construction shall be completed prior to the issuance of the first Certificate of Occupancy. (CO: MONITORING-Eng)
