ENGINEERING

1. TRAFFIC PERFORMANCE STANDARDS PHASING CONDITIONS

In order to comply with the mandatory Traffic Performance Standards, the Property Owner shall be restricted to the following phasing schedule:

a. Previous Condition E1a of Resolution R-2009-506, Control No. 2005-455, which currently states:

Building Permits for more than 40 single family dwelling units (equivalent of 47 pm peak hour trips) shall not be issued until construction commences for the 4 laning of West Atlantic Avenue from Lyons Road to Starkey Road, plus the appropriate paved tapers. (BLDG PERMIT: MONITORING-Eng)

Is hereby amended to read:

Building Permits for more than 40 dwelling units (equivalent of 47 pm peak hour trips) shall not be issued until construction commences for the 4 laning of West Atlantic Avenue from Lyons Road to Starkey Road, plus the appropriate paved tapers. (BLDG PERMIT: MONITORING-Eng) [NOTE: COMPLETED]

b. Previous Condition E1b of Resolution R-2009-506, Control No. 2005-455, which currently states: No Building Permits for the site may be issued after December 31, 2013 . A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Article 2 Section E of the Unified Land Development Code. (DATE: MONITORING-Eng)

Is hereby amended to read:

No Building Permits for the site may be issued after December 31, 2017. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Article 2 Section E of the Unified Land Development Code. Note that this condition will not apply to development of a public civic pod if ownership of that pod has been transferred to a governmental agency for public use. (DATE: MONITORING-Eng)

c. Building permits for more than 100 dwelling units shall not be issued until the left turn lane on the north approach on Lyons Road at Clint Moore Road is restriped to a length of 650 feet plus a 50 foot taper, or as otherwise approved by the County Engineer. (BLDG PERMIT: MONITORING - Eng)

d. Building permits for more than 250 dwelling units shall not be issued until a second left turn lane on the east approach of Atlantic Avenue and Lyons Road and appropriate receiving lanes on Lyons Road are constructed as approved by the Florida Department of Transportation and the County Engineer. (BLDG PERMIT: MONITORING - Eng)

e. Building Permits for more than 317 dwelling units shall not be issued until either:

i) the contract has been awarded for the construction of a third westbound through lane on Atlantic Avenue at the Turnpike east intersection, including an appropriate receiving lane and the appropriate paved tapers, OR

ii) the property owner makes a proportionate share payment in the amount of 14.7% of the total cost to construct the above improvement. (BLDG PERMIT: MONITORING-Eng)

2. The Property Owner shall design, install and perpetually maintain median landscape within the median of all abutting right of way of SR-7. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioners approval. Median landscaping installed by Property Owner shall be perpetually maintained by the Property Owner, his successors and assigns, without recourse to Palm Beach County, unless the Property Owner provides payment for maintenance as set forth in Paragraph c and d below.

a. The necessary permit(s) for this landscaping and irrigation shall be applied for from Palm Beach County Land Development prior to the issuance of the 438th building permit. (BLDG PERMIT: MONITORING-Eng) (Previous Condition E.2.a of Resolution R-2009-506, Control No. 2005-455)

b. All installation of the landscaping and irrigation shall be completed prior to the issuance of the 438th Certificate of Occupancy. (CO: MONITORING -Eng) (Previous Condition E.2.b of Resolution R-2009-506, Control No. 2005-455)

c. At Property Owner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the Property Owner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the Property Owner. The Property Owner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Property Owner. (ONGOING: ENGINEERING-Eng) (Previous Condition E.2.c of Resolution R-2009-506, Control No. 2005-455)

d. Alternately, at the option of the Property Owner or if the construction of the required landscape and irrigation is not possible due to physical constraints, the Property Owner may make a contribution to the County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program prior to the issuance of the 438th Building Permit. This payment option is only available if the roadway segment is included in the County's current OTIS Master Plan and shall be based on the project's front footage along SR-7. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (BLDG PERMIT: MONITORING -Eng) (Previous Condition E.2.d of Resolution R-2009-506, Control No. 2005-455)

3. Previous Condition E.3 of Resolution R-2009-506, Control No. 2005-455, which currently states:

Prior to issuance of a building permit, the Property Owner shall convey to Palm Beach County Land Development Division by warranty deed additional right of way for the construction of:

- i. right turn lane on Lyons Road at the east west collector road
- ii. right turn lane on Lyons Road at the projects entrance road

Right turn lane rights of way shall be a minimum of 280 feet in length, twelve feet in width, and a taper length of 50 feet or as approved by the County Engineer. This additional right of way shall be free of all encumbrances and encroachments and shall include corner clips where appropriate as determined by the County Engineer. Property Owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. (BLDG PERMIT: MONITORING-Eng)

Is hereby amended to read:

The Property Owner shall construct:

- i. Right turn lane north approach on Lyons Road at the north project entrance road,
- ii. Left turn lane south approach on Lyons Road at the north project entrance road,
- iii. Exclusive left and right turn lanes west approach on the north project entrance road at Lyons Road,
- iv. Right turn lane north approach on Lyons Road at the south project entrance road,
- v. Left turn lane south approach on Lyons Road at the south project entrance road, and
- vi. Exclusive left and right turn lanes west approach on the south project entrance road at Lyons Road.

This construction shall be concurrent with the paving and drainage improvements for the site. Any and all costs associated with this construction shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

a. Prior to issuance of a building permit for Hyder North (that portion of the project lying between the LWDD L-36 and the L-38 canals), the property owner shall obtain permits required from Palm Beach County for construction of improvements in 4.i, 4.ii and 4.iii. (BLDG PERMIT: MONITORING-Eng)

b. Prior to issuance of a building permit for Hyder South (that portion of the project lying between the LWDD L-38 and L-39 canals), the property owner shall obtain permits required from Palm Beach County for construction of improvements in 4.iv, 4.v and 4.vi. (BLDG PERMIT: MONITORING-Eng)

c. Prior to issuance of a certificate of occupancy for Hyder North (that portion of the project lying between the LWDD L-36 and the L-38 canals), the property owner shall complete construction of improvements in 4.i, 4.ii and 4.iii. (BLDG PERMIT: MONITORING-Eng)

d. Prior to issuance of a certificate of occupancy for Hyder South (that portion of the project lying between the LWDD L-38 and L-39 canals), the property owner shall complete construction of improvements in 4.iv, 4.v and 4.vi. (BLDG PERMIT: MONITORING-Eng)

5. Previous Condition E.5 of Resolution R-2009-506, Control No. 2005-455, which currently states:

On or before June 1, 2010 the Property Owner shall convey to Palm Beach County sufficient road drainage easement(s) through the project's internal drainage system, as required by and approved by the County Engineer, to provide legal positive outfall for runoff from those segments of Lyons Road along the property frontage; and up to a maximum of an additional 800 feet of these adjacent roadway(s). The limits of this additional 800 feet of drainage shall be determined by the County Engineer. Said easements shall be no less than 20 feet in width. Portions of such system not included within roadways or waterways dedicated for drainage purposes will be specifically encumbered by said minimum 20 foot drainage easement from the point of origin, to the point of legal positive outfall. The drainage system within the project shall have sufficient retention/detention, Compensating storage within this projects retention system as required by all permitting agencies, and conveyance capacity to meet the storm water discharge and treatment requirements of Palm Beach County and the applicable Drainage District, as well as the South Florida Water Management District, for the combined runoff from the project to accommodate the ultimate Thoroughfare Plan Road Section(s) of the included segment. If required and approved by the County Engineer, the Property Owner shall construct within the proposed drainage easements a minimum of 24 inch closed piping system and appropriate wingwall or other structures as required by and approved by the County Engineer. Elevation and location of the entire drainage system shall be approved by the County Engineer. Any and all excess fill material from excavation by Palm Beach County within said easements shall become the property of Palm Beach County which at its discretion may use this fill material. (DATE:MONITORING-Eng)

Is hereby amended to read:

6. Previous Condition E6 of Resolution R-2009-506, Control No. 2005-455), which currently states:

The Property Owner shall fund the cost of signal installation if warranted as determined by the County Engineer at:

- i. Lyons Road and the project entrance road.
- ii. SR-7 and the East/West Collector Road (proportionate share)

Signalization shall be a mast arm structure installation. The cost of signalization shall also include all design costs and any required utility relocation. Should signalization not be warranted after 24 months of the final Certificate of Occupancy, this Property Owner shall be relieved from this condition.

- a. Building Permits for more than 200 dwelling units shall not be issued until the Property Owner provides acceptable surety to the Traffic Division in an amount as determined by the Director of the Traffic Division for the installation of the signal at Lyons Road and the Project's entrance road. (BLDG PERMIT:MONITORING-Eng)
- b. Building Permits for more than 437 dwelling units shall not be issued until the Property Owner provides acceptable surety to the Traffic Division in an amount as determined by the Director of the Traffic Division for the installation of the signal at SR-7 and the East/West Collector. (BLDG PERMIT:MONITORING-Eng)

Is hereby amended to read:

The Property Owner shall fund a proportionate share of the cost of signal installation if warranted as determined by the County Engineer at:

- i. Lyons Road and the north project entrance road, 50% of the total cost,
- ii. Lyons Road and the south project entrance road, 50% of the total cost, and
- iii. SR 7 and the project entrance road, 100% of the total cost.

Signalization shall be a mast arm structure installation. The cost of signalization shall also include all design costs and any required utility relocation. Should signalization not be warranted after 24 months of the final Certificate of Occupancy this property owner shall be relieved from this condition.

a. Building Permits for more than 200 dwelling units for that portion of the PUD lying between the LWDD L-36 and L-38 canals (Hyder North) shall not be issued until the developer provides acceptable surety to the Traffic Division for the signals identified in 6.i. and 6.iii above for all required installations in an amount as determined by the Director of the Traffic Division. (BLDG PERMIT: MONITORING-Eng)

b. Building Permits for more than 200 dwelling units for that portion of the PUD lying between the LWDD L-38 and L-39 canals (Hyder South) shall not be issued until the developer provides acceptable surety to the Traffic Division for the signals identified in 6.ii and 6.iii above for all required installations in an amount as determined by the Director of the Traffic Division. (BLDG PERMIT: MONITORING-Eng)

c. In order to request the release of surety for the signal identified in 6.i above, the Property Owner shall provide written notice to the Traffic Division stating that the final certificate of occupancy has been issued for the portion of the development lying between the LWDD L-36 and L-38 canals (Hyder North) and requesting that a signal warrant study be conducted at this intersection. The Traffic Division shall have 24 months from receipt of this notice to either draw upon the monies to construct the traffic signal or release the monies. (ONGOING: ENGINEERING - Eng)

d. In order to request the release of surety for the signal identified in 6.ii above, the Property Owner shall provide written notice to the Traffic Division stating that the final certificate of occupancy has been issued for the portion of the development lying between the LWDD L-38 and L-39 canals (Hyder South) and requesting that a signal warrant study be conducted at this intersection. The Traffic Division shall have 24 months from receipt of this notice to either draw upon the monies to construct the traffic signal or release the monies. (ONGOING: ENGINEERING - Eng)

e. In order to request the release of surety for the signal identified in 6.iii above, the Property Owner shall provide written notice to the Traffic Division stating that the final certificate of occupancy has been issued for the project (both Hyder North and Hyder South) and requesting that a signal warrant study be conducted at this intersection. The Traffic Division shall have 24 months from receipt of this notice to either draw upon the monies to construct the traffic signal or release the monies. (ONGOING: ENGINEERING - Eng)

7. Previous Condition E7 of Resolution R-2009-506, Control No. 2005-455, which

currently states:

At the time of platting, the property owner shall convey all necessary right of way to Palm Beach County Land Development Division for the proposed 80 foot east west collector roadway as well as a minimum of 12 feet additional right of way for the right turn lane at the project entrance for a minimum of 280 feet. If the project is to be platted in phases, right of way for the East/West Collector shall be platted with the adjoining tracts of land or as otherwise required by the County Engineer for continuity. Right of way conveyance shall be along the projects entire frontage and shall be free of all encumbrances and encroachments. The Developer shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. The Grantor also agrees to provide Palm Beach County an environmental report, subject to the approval of County Engineer, demonstrating that this property meets all appropriate and applicable environmental agency requirements. In the event the report makes a determination of contamination which requires remediation or clean up on the property now owned by the Grantor, the Grantor agrees to hold the Grantee harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, Engineering or other expert witness fees including Attorney's fees as well as the actual cost of the clean up prior to dedication. Thoroughfare Plan Road right-of-way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include where appropriate as determined by the County Engineer provisions for Expanded Intersection Details and Corner Clips." (TC: MONITORING-Eng)

Is hereby deleted. [REASON: East-west collector road is no longer required.]

8. Acceptable surety required for the West Atlantic Avenue improvements identified in the Traffic Performance Standards Phasing Condition above shall be posted with the Office of the Land Development Division on or before August 23, 2006. Surety shall be in the amount of 110% of a Certified Cost Estimate provided by the Developer's Engineer and approved by the County Engineer. This surety may be required to be adjusted within 30 days notification from the County Engineer. This revision shall be based upon an updated cost estimate prepared by the Roadway Production Division at the time the final construction plans are completed. (TPS - Maximum 6 month time extension) (DATE: MONITORING-Eng) (Previous Condition E.8 of Resolution R-2009-506, Control No. 2005-455) [Note: COMPLETED]

9. Previous Condition E.9 of Resolution R-2009-506, Control No. 2005-455, which currently states:

The Property Owner shall construct an East/West Collector Road from SR 7 to Lyons Road. Construction shall be to collector street standards and include bike lanes, minimum 2-12 ft. travel lanes and the following intersection improvements:

PROPERTY & REAL ESTATE MANAGEMENT

1. Previous Civic Site Dedication Condition 1 of Resolution 2009-506, Control No. 2005-455, which currently states:

The property owner shall provide Palm Beach County Board of County Commissioners with a Statutory Warranty Deed on a net 8.24 acre public civic site in a location and form acceptable to Facilities, Development & Operations Department (FD&O) by November 1, 2010. Property owner to plat and dedicate the civic site to Palm Beach County prior to conveying the deed, and shall have satisfied each of the following conditions prior to deed conveyance.

a) Title

Property owner to provide a title policy insuring marketable title to Palm Beach County for the civic site and any easements that service the civic site as required by the County Attorney's office. All title exception documentation to be provided to County. Policy is subject to Property & Real Estate Management Department's (PREM) and County Attorney's approval. The title policy to be insured to Palm Beach County for a dollar value based on current market appraisal of the proposed civic site or the Contract purchase price on a per acre basis if the contract purchase was concluded within the previous 24 month period. If an appraisal is required it shall be obtained by the property owner. The property owner shall release the County from all Declarations of Covenants and Conditions of the P.U.D. or other restrictive covenants as they may apply to the civic site.

b) Concurrency

Property owner to assign sufficient traffic trip capacity such that the traffic volume associated with a County facility shall be attached to the civic site and recorded on the concurrency reservation for the entire PUD. The property owner shall be provided with input as to the size of a structure (and proposed use) which the civic site would support and the corresponding amount of trips.

c) Taxes

All ad valorem real estate taxes and assessments for the year of acceptance shall be prorated to include the day of acceptance.

d) Site condition

Civic site to be free and clear of all trash and debris at the time of acceptance of the Statutory Warranty Deed.

e) Retention and Drainage

Property owner shall provide all retention, detention, and drainage required for any future development of the proposed civic site by the County. Property owner shall specifically address the following issues:

1) The discharge of surface water from the proposed civic site into the property owner's water retention basins.

2) As easement across property owner's property from the proposed civic site to the retention basins, if required.

f) On-Site Inspections

By acceptance of these conditions property owner agrees to allow the County to perform any on-site inspections and testing deemed appropriate to support the acquisition of the civic site.

g) Vegetation Permit

Property owner to perform a tree survey and obtain a vegetation clearing permit. If it is determined by PREM that clearing is not required at time of conveyance, the cost of such clearing shall be paid to the County.

h) Buildable Grade

Prepare civic site to buildable grade under the direction of the Facilities Development & Operations Department. Site shall be stabilized with 1) sod and watered or, 2) seeded, mulched and watered (until seed has established itself) to the satisfaction of Facilities Development and Operations.

i) Water & Sewer

Property owner to provide water and sewer stubbed out to the property line and other required utilities as determined by PREM. (DATE:MONITORING-PREM)

Is hereby deleted. (Reason: Modified by Ccondition 2 below)

2. The property owner shall provide Palm Beach County Board of County Commissioners with a Statutory Warranty Deed on a net 14.727 acre public civic site in a location and form acceptable to Facilities, Development & Operations Department (FD&O) by March 2, 2015. 4. Previous Civic Site Dedication Condition 4 of Resolution R-2009-0506, Control No. 2005-455, which currently states:

The property owner shall provide PREM with an Environmental Assessment certified to Palm Beach County of the proposed civic site by September 1, 2010 . The minimum assessment which is required is commonly called a "Phase I Audit". The audit shall

describe the environmental conditions of the property and identify the past and current land use.

The assessment will include but not be limited to the following:

a) Review of property abstracts for all historical ownership data for evidence of current and past land use of the proposed civic site.

b) Review of local, state, and federal regulatory agency's enforcement and permitting records for indication of prior groundwater or soil contamination. Also, a review of the neighboring property that borders the proposed civic site will be required. The review shall include, but not be limited to, Palm Beach County Environmental Resources Management Department Records, and Florida Department of Regulation Records.

The assessment shall reflect whether the civic site or any bordering property is on the following lists:

- 1) EPA's National Priorities list (NPL)
- 2) Comprehensive Environmental Response Compensation and Liability Act System List (CERCLA)
- 3) Hazardous Waste Data Management System List (HWDMS).

c) Review of current and historical aerial photographs of the proposed civic site. Provide a recent aerial showing site and surrounding properties.

d) The results of an on-site survey to describe site conditions and to identify potential area of contamination.

e) Review of Wellfield Protection Zone maps to determine if property is located in a Wellfield Zone.

a) If the Phase I audit indicates that a Phase II is necessary, then the property owner shall be required to provide that audit as well. (DATE:MONITORING-PREM)

5. Previous Civic Site Dedication Condition 6 of Resolution R-2009-0506, which currently states:

The property owner has offered to provide the County with additional civic site property from the Hyder PUD (in addition to the required 8.24 acres of this PUD) which may be utilized as a credit towards other civic site dedication requirements. The civic property conveyance shall be handled by either one of two separate agreements, known as the Hyder Agreement and the Exchange and Civic Site Dedication Agreement (approved pursuant to R-2004-0936), which agreements shall supersede all conditions set forth herein. However, (1) should the Hyder Agreement not be finalized by either the County or the property owner, or (2) in the event there is no remaining civic site credit available for use by the property owner pursuant to the Exchange and Civic Site Dedication Agreement, then all requirements of PREM conditions 1 through 4 contained herein shall remain in effect. (ONGOING:PREM-PREM)

Is hereby amended to read:

The property owner has offered to provide the County with additional civic site property at the Atlantic Commons PUD, which may be utilized as a credit towards the civic site dedication requirements for this project. The civic property conveyance for this project shall be handled by either one of two separate agreements, known as the Atlantic Commons Civic Site Agreement (approved pursuant to R-2013-0396) and the Exchange and Civic Site Dedication Agreement (approved pursuant to R-2004-0936), which agreements shall supersede all conditions set forth herein. However, (1) should the Atlantic Commons Civic Site Agreement not be finalized by either the County or the property owner, or (2) in the event there is no remaining civic site credit available for use by the property owner pursuant to the Exchange and Civic Site Dedication Agreement, then all requirements of PREM conditions 1 through 4 contained herein shall remain in effect. (ONGOING:PREM)

6. The property owner may request to exchange the required on-site dedication of land for cash of equal value or off-site land equal in acreage, however, this option shall be used only upon County approval when the County has established that the cash or offsite land enhances or supports a County property, facility or function in the general vicinity of the PUD. In addition, should the off-site land option be chosen, each PREM condition listed in numbers 1, 2 & 3 above will also apply. If the land off-site is of less cash value than the on-site dedication the property owner shall contribute cash equal to the difference in values. Valuation of the on-site and off-site land shall be subject to the County appraisal process and be at the cost of the property owner or if the property owner is a contract purchaser the per acre value used for the entire PUD may be used to determine the civic site value. If off-site land or cash contribution is accepted by Palm Beach County, the property owner shall be deemed to have satisfied the intent of ULDC. (ONGOING:PREM-PREM) (Previous Civic Site Dedication Condition 4 of Resolution R-2006-0278, Control No. 2005-455)

SCHOOL BOARD

1. The property owner shall post a notice of annual boundary school assignments for students from this development. A sign 11" X 17" shall be posted in a clear and visible location in all sales offices and models with the following:

"NOTICE TO PARENTS OF SCHOOL AGE CHILDREN"

School age children may not be assigned to the public school closest to their residences. School Board policies regarding levels of service or other boundary policy decisions affect school boundaries. Please contact the Palm Beach County School District Boundary Office at (561) 434-8100 for the most current school assignment(s). (ONGOING: SCHOOL BOARD) (Previous Condition SCHOOL BOARD 1 of Resolution R-2009-0506, Control No. 2005-455)

2. Condition SCHOOL BOARD 2 of Resolution R-2009-0506, Control No. 2005-455, which currently states:

Prior to the issuance of the first Certificate of Occupancy (CO), the school bus shelter shall be constructed by the petitioner in a location and manner acceptable to the Palm Beach County School Board. Provisions for the bus shelter shall include, at a minimum, a covered area, continuous paved pedestrian and bicycle access from the subject property or use, to the shelter. Maintenance of the bus shelter(s) shall be the responsibility of the residential property owner. (CO: MONITORING - School Board.)

Is hereby amended to read:

Prior to the issuance of the first Certificate of Occupancy (CO), within the Hyder North portion of the project, the school bus shelters shall be constructed by the property owner in a location and manner acceptable to the Palm Beach County School Board. Prior to issuance of the first Certificate of Issuance (CO) within the Hyder South portion of the project, the the school bus shelter shall be constructed by the property owner in a location and manner acceptable to the Palm Beach County School Board.
