

RESOLUTION NO. R-2016- 1236

RESOLUTION APPROVING ZONING APPLICATION ZV/PDD/DOA-2016-00269
(CONTROL NO. 2000-00032)
a Development Order Amendment
APPLICATION OF 441 Acquisition, LLC
BY G.L. Homes, AGENT
(Sussman AGR-PUD)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider applications relating to zoning;

WHEREAS, the notice and public hearing requirements pursuant to Article 2 (Development Review Procedures) of the Palm Beach County Unified Land Development Code, Ordinance 2003-067 as amended (ULDC), have been satisfied;

WHEREAS, Zoning Application ZV/PDD/DOA-2016-00269 was presented to the Board of County Commissioners at a public hearing conducted on September 22, 2016;

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the Applicant and other interested parties, the recommendations of the various County Review Agencies, and the recommendation of the Zoning Commission;

WHEREAS, the, Board of County Commissioners pursuant to Article 2 (Development Review Procedures) of the ULDC is authorized and empowered to consider, approve, approve with conditions or deny the request;

WHEREAS, THE Board of County Commissioners hereby incorporates by reference the Findings in the staff report addressing the Standards contained in Article 2.B (Public Hearing Process) for a Development Order Amendment;

WHEREAS, this approval is subject to Article 2.E (Monitoring) of the ULDC and other provisions requiring that development commence in a timely manner;

WHEREAS, the issuance of this Development Permit does not in any way create any rights on the part of the Applicant and/or Property Owner to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the Applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law;

WHEREAS, the Palm Beach County Survey Section may administratively correct any scrivener's errors that will not significantly impact the overall boundary of the adopted legal description; and,

WHEREAS, Article 2.A.1.K.3.b (Action by BCC) of the ULDC requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Application ZV/PDD/DOA-2016-00269, the Application of 441 Acquisition, LLC, by G.L. Is hereby amended to read:

All previous Conditions of Approval applicable to the subject property, as contained in Resolutions R-2001-00143 (Control 2000-00032) have been consolidated as contained herein. The Applicant shall comply with all previous Conditions of Approval and deadlines previously established by Section 5.8 of the ULDC and the Board of County Commissioners, unless expressly modified. (ONGOING: ZONING - Zoning)

2. Previous A Condition 2 of Resolution R-2001-143, Control No.2000-00032, which currently states:

Development of the site is limited to the uses and site design as approved by the Board of County Commissioners. The approved development plan is dated December 28, 2000 and the conceptual site plan is dated August 15, 2000. All modifications must be approved by the Board of County Commissioners unless the proposed changes are required to meet conditions of approval or are in accordance with the ULDC.

Is hereby amended to read:

The approved Preliminary Master and Regulating Plans are dated July 25, 2016. Modifications to the Development Order inconsistent with the Conditions of Approval, or changes to the uses or site design beyond the authority of the Development Review Officer as established in the Unified Land Development Code, must be approved by the Board of County Commissioners. (ONGOING: ZONING - Zoning)

ARCHITECTURAL REVIEW

1. Diversity of architectural elevation and exterior color scheme shall be required by complying with the following:

- a. No more than three (3) homes with the same elevation shall be placed next to each other; or,
- b. No more than three (3) homes with the same exterior color scheme may be placed next to each other; and
- c. No more than three (3) identical homes shall be placed next to one another (i.e. same elevation with same exterior color scheme). This obligation shall be included in the Homeowners Association's documentation. A monitoring report with updated information shall be submitted by the developer with each building permit application to ensure compliance with this condition. This obligation shall be included in the Homeowners Association's documentation. (ONGOING: ZONING - Zoning) (Previous B Condition 1 of Resolution R-2001-143, Control No.2000-00032)

ENGINEERING

1. Previous ENGINEERING Condition 1 of Resolution R-2001-143, Control No.2000-00032, which currently states:

The Property Owner shall construct the following turn lane improvements:

I. Linton Boulevard at SR 7:

- a. left turn lane north approach;
- b. right turn lane south approach;
- c. Right turn lane east approach;
- d) Left turn lane east approach;

II. Linton Boulevard at the projects entrance road:

- a) left turn lane east approach;
- b) left turn lane west approach;
- c) left turn lane north approach;
- d) Left turn lane south approach

III. Project's entrance Road at SR 7:

- a) directional left turn lane north approach
- b) right turn lane south approach;

A) The construction of those improvements enumerated in E.1.111. shall be concurrent with the construction of the project's entrance road onto SR 7 unless any of these turn lanes are constructed by the Florida Department of Transportation as part of the road widening of SR 7. The construction of those improvements enumerated in E.1.I and E.1 .II above shall be concurrent with the construction of the project's entrance road onto Linton Boulevard. Any and all costs associated with the construction shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

B) Permits required by Palm Beach County and the Florida Department of Transportation for the construction shall be submitted prior to technical compliance for E.1.111 and prior to December 1, 2001 for E.1 .I and E.1 .II.

C) Construction shall be completed in accordance with a phasing schedule approved by the DRC at the time of the approval of the Preliminary Development Plan.

Is hereby amended to read:

The Property Owner shall construct a right turn lane, south approach on SR 7 at the project's northernmost entrance for the Sussman PUD North portion.

This construction shall be concurrent with the paving and drainage improvements for the site. Any and all costs associated with the construction shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

- a. Permits required from Florida Department of Transportation for this construction shall be obtained, and copies provided to Palm Beach County prior to the issuance of the first building permit for Sussman PUD North. (BLDGPMT: MONITORING - Engineering)
- b. Construction shall be completed prior to the issuance of the first Certificate of Occupancy. (BLDGPMT/CO: MONITORING - Engineering)

2. Previous ENGINEERING Condition 2 of Resolution R-2001-143, Control No.2000-00032, which currently states:

Prior to December 1, 2001, the Property Owner shall provide construction plans for Linton Boulevard as a 3 lane section plus the appropriate paved tapers from SR 7 to Lyons Road. These construction plans shall be approved by the County Engineer based upon Palm Beach County's minimum Construction Plan Standards as they presently exist or as they may from time to time be amended. Plan costs shall be approved by the County Engineer. Required utility relocations shall be coordinated through the Engineering Department, Roadway Production Division. (DATE: MONITORING - Engineering)

Is hereby deleted. [REASON: No longer required.]

3. Previous ENGINEERING Condition 3 of Resolution R-2001-143, Control No.2000-00032, which currently states:

The Property Owner shall construct Linton Boulevard as a 3 lane section from SR 7 east to 1/2 Mile Road. Construction shall be completed on or before December 1, 2002. (DATE: MONITORING - Engineering)

Is hereby deleted. [REASON: No longer required.]

4. The Property Owner shall fund the cost of signal installation if warranted as determined by the County Engineer and the Florida Department of Transportation at Linton Boulevard and SR 7 and the project's entrance road and SR-7. In the event Linton Boulevard is removed from the Thoroughfare Plan, the Petitioner shall be relieved of the obligation to fund the cost of signalization at Linton Boulevard and SR-7. Signalization shall be a mast arm structure installation. The cost of signalization shall also include any required utility relocation. Should signalization not be warranted after 12 months of the final Certificate of Occupancy this Property Owner shall be relieved from this condition. (ONGOING: ENGINEERING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 4 of Resolution R-2001-143, Control No.2000-00032)

5. Previous ENGINEERING Condition 5 of Resolution R-2001-143, Control No.2000-00032, which currently states:

Prior to the recordation of the first plat, the Petitioner shall include in the homeowners documents, all sales contracts, as well as all sales brochures, Master Plans and related Site Plans a disclosure statement identifying Linton Boulevard as a planned thoroughfare roadway adjacent to or through this property. This shall also include the ultimate number of lanes for Linton Boulevard. Information which appears in written form shall appear in bold print.

a. The Property Owner shall submit documentation of compliance with this condition on an annual basis to the Monitoring Section of Planning, Zoning and the Building Department. The next report shall be submitted on or before January 1, 2002, and shall continue on an annual basis until all units within the development have been sold, Linton Boulevard is removed from the Thoroughfare Plan, or the Developer relinquishes control to the homeowner's association. (PLAT: MONITORING - Engineering)

b. The subject property shall be appropriately signed by the Developer prior to the issuance of the first building permit. The signs may be removed if Linton Boulevard is removed from the Thoroughfare Plan. Sign locations shall be indicated both on the Master Plan and appropriate Site Plans. (BLDGPMT: MONITORING - Engineering)

Is hereby deleted. [REASON: No longer required.]

6. Previous ENGINEERING Condition 6 of Resolution R-2001-143, Control No.2000-00032, which currently states:

The Property Owner shall to convey to Palm Beach County Land Development Division by road right-of-way warranty deed for:

- a) Linton Boulevard, 120 feet of right of way on an alignment previously approved by the Board of County Commissioners, from the projects east property line to SR 7;
- b) 1/2 Mile Road, 30 feet from centerline from the projects south property line to Linton Boulevard Expanded intersection at Linton Boulevard and SR 7;
- c) Expanded intersection at Linton Boulevard and SR 7.

The right of way for E.6.b) shall be conveyed prior to the issuance of the first Building Permit or prior to June 1, 2001. The right of way for E.6.a) and E.6.c) shall be conveyed prior to December 1, 2001. Right of way conveyance shall be along the projects entire frontage and shall be free of all encumbrances and encroachments. Developer shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and

encroachments. Right-of-way conveyances shall also include 'Corner Clips' where appropriate as determined by the County Engineer.

Is hereby amended to read:

The Property Owner shall provide to the Palm Beach County Right of Way Acquisition Section of Roadway Production Division a road right of way deed and all associated documents as required by the County Engineer for Half Mile Road, thirty (30) feet, measured from centerline of the proposed right of way on an alignment approved by the County Engineer, along the frontage of the Sussman PUD North portion.

All right of way deed(s) and associated documents shall be provided and approved prior to the issuance of the first building permit or within ninety (90) days of a request by the County Engineer, whichever shall occur first. Right of way conveyance shall be along the entire frontage and shall be free and clear of all encroachments and encumbrances. Property Owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments, including a topographic survey. The Property Owner must further warrant that the property being conveyed to Palm Beach County meets all appropriate and applicable environmental agency requirements. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Property Owner, the Property Owner agrees to hold the County harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, engineering or other expert witness fees including attorney's fees as well as the actual cost of the clean up. Thoroughfare Plan Road right of way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include, where appropriate as determined by the County Engineer, additional right of way for Expanded Intersections and Corner Clips. The Property Owner shall not record these required deeds or related documents. Palm Beach County will prepare a tax pro-ration. A check, made payable to the Tax Collector's Office, shall be submitted by the Property Owner for the pro-rated taxes. After final acceptance, Palm Beach County shall record all appropriate deeds and documents. (BLDGPM: MONITORING - Engineering)

7. LANDSCAPE WITHIN MEDIAN OF STATE ROAD

a. Prior to issuance of a building permit, the Property Owner shall apply to the Palm Beach County Engineering and Public Works Department for a permit to landscape the adjacent median of SR 7 road right-of-way. This permit, to be completed by the Property Owner, shall name Palm Beach County as the applicant. As part of this permit process, the Property Owner shall enter into a Right of Way, Landscape Maintenance, Removal, and Indemnification Agreement. When landscaping is permitted by the Florida Department of Transportation, landscaping shall, at a minimum, consist of the 'Low Cost Planting Concept' outlined in the Palm Beach County Engineering and Public Works Department latest revision to the Streetscape Standards. The Property Owner shall also be responsible for supplementing any existing landscape material previously planted in this median and all new landscape material shall be consistent with the landscaping theme adopted for this roadway. All landscape material, installation, and maintenance requirements shall be subject to the standards set forth by the Streetscape Standards. If all xeriscape material is utilized, the watering of the plant material during the initial heal-in period shall be the responsibility of the property owner. Alternative species other than those listed in the County standards may be allowed subject to approval by the County Engineer. (BLDGPM: MONITORING - Engineering) [Note: COMPLETED]

b. All required median landscaping, including an irrigation system, if required, shall be installed at the Property Owners expense. All landscaping, paver block or similar materials shall be the perpetual maintenance obligation of the petitioner and its successors, or assigns or duly established Property Owner's Association or maintenance may be assumed by the County upon payment equal to the long term maintenance cost, in accordance with the adopted policy approved by the Board of County Commissioners. All existing landscape material shall also be the perpetual maintenance obligation of the petitioner and its successors, heirs or assignees or duly established Property Owner's Association and/or Homeowners' Association. Perpetual maintenance includes, but is not

limited to, pruning, fertilizing, irrigation, and alternate watering of Xeriscape material during periods of drought in order to maintain healthy plant material. All landscape material shall be installed prior to the issuance of the 100th certificate of occupancy. (BLDG/PMT/CO: MONITORING - Engineering) [Note: COMPLETED]

c. If the County does not assume maintenance responsibility, then appropriate Property Owners' documents or other restrictive covenant documents, evidencing the maintenance obligation shall be established or amended as required and shall be approved and recorded prior to issuance of the first Building Permit. (BLDG/PMT: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 7 of Resolution R-2001-143, Control No.2000-00032)

8. Previous ENGINEERING Condition 8 of Resolution R-2001-143, Control No.2000-00032, which currently states:

'CUTOUT' LANDSCAPE STRIPS WITHIN THE CONCRETE MEDIAN OF SR7

a. Prior to issuance of a building permit, the Property Owner shall apply to the Palm Beach County Engineering and Public Works Department for a permit to provide cutouts within the concrete median of SR 7 Right-of-Way. This permit, to be completed by the Property Owner, shall name Palm Beach County as the applicant. As part of this permit process, the Property Owner shall enter into Right of Way, Concrete Median Cutout, Landscape Installation and Maintenance, Removal, and Indemnification Agreements. When landscape cutouts are permitted by the Florida Department of Transportation, landscaping shall, consist of Landscape Material approved by the County Engineer. All new landscape material shall be consistent with any landscaping theme adopted for this roadway. All landscape material, installation, and maintenance requirements shall be subject to the standards set forth by the Streetscape Standards. If all xeriscape material is utilized, the watering of the plant material during the initial heal-in period shall be the responsibility of the Property Owner. Alternative species other than those listed in the County standards may be allowed subject to approval by the County Engineer.

b. All required median landscaping, including an irrigation system if required, the cost of cutting out the concrete median and the Landscape material shall be funded at the Property Owner's expense. All existing landscape material shall also be the perpetual maintenance obligation of the Petitioner and its successors, heirs or assignees or duly established Property Owners' Association and/or Homeowners' Association. Perpetual maintenance includes, but is not limited to, pruning, fertilizing, irrigation, and alternate watering of xeriscape material during periods of drought in order to maintain healthy plant material. All landscape material shall be installed prior to the issuance of a certificate of occupancy.

c. Declaration of Covenants and Restriction Documents evidencing this obligation shall be established or amended as required and shall be approved and recorded prior to the issuance of a building permit.

Is hereby amended to read:

Landscape Within the Median of SR-7

The Property Owner shall design, install and perpetually maintain median landscape within the median of all abutting right of way of SR-7 for the Sussman PUD North portion. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires County Engineer approval. Median landscaping installed by Property Owner shall be perpetually maintained by the Property Owner, his successors and assigns, without recourse to Palm Beach County, unless the Property Owner provides payment for maintenance as set forth in Paragraph c below.

a. The necessary permit(s) for this landscaping and irrigation shall be applied for from the Florida Department of Transportation prior to the issuance of the first building permit for the Sussman PUD North portion. (BLDG/PMT: MONITORING - Engineering)

b. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy for the Sussman PUD North portion. (BLDG/PMT/CO: MONITORING - Engineering)

c. Alternately, at the option of the Property Owner or if the construction of the required

landscape and irrigation is not possible due to physical constraints, the Property Owner may make a contribution to Palm Beach County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program prior to the issuance of the first Building Permit. This payment option is only available if the roadway segment is included in the County's current OTIS Master Plan and shall be based on the project's front footage along SR-7 for the Sussman PUD North portion. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (ONGOING: ENGINEERING - Engineering)

9. Previous ENGINEERING Condition 9 of Resolution R-2001-143, Control No.2000-00032, which currently states:

Prior to December 1,2001, the Property Owner shall convey a temporary roadway construction easement along the Linton Boulevard Extension to Palm Beach County. Construction by the applicant within this easement shall conform to all Palm Beach County Standards and Codes. The location, legal sketches and the dedication documents shall be approved by the County Engineer prior to final acceptance. (DATE: MONITORING - Engineering)

Is hereby deleted. [REASON: No longer required.]

10. Previous ENGINEERING Condition 10 of Resolution R-2001-143, Control No.2000-00032, which currently states:

Prior to December 1, 2001, the Property Owner shall convey a roadway construction easement to Palm Beach County at the Projects Entrance Road(s). This roadway construction easement shall contain an isosceles trapezoid connecting the required corner clips across this Property Owner's road right(s) of way. Construction by the applicant within this easement shall conform to Palm Beach County Standards and Codes. The location, legal sketches and the dedication documents shall be approved by the County Engineer prior to final acceptance. (DATE: MONITORING - Engineering)

Is hereby deleted. [REASON: No longer required.]

11. Prior to DRC approval of the Preliminary Development Plan, the Master Plan shall be revised to reflect an adequate distance from the Traffic Control Gates to the first intersection as approved by the County Engineer. (DRO: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 11 of Resolution R-2001-143, Control No.2000-00032)

12. Previous ENGINEERING Condition 12 of Resolution R-2001-143, Control No.2000-00032, which currently states:

If the Board of County Commissioners deletes the section of Linton Boulevard from the Thoroughfare Plan, Conditions E.1.1, E.1.11, those portions of E.I.A) and E.I.B) specific to Linton Boulevard, E-2., E.3., those portions of E.4. specific to Linton Boulevard, E-5., those portions of E.6. specific to Linton Boulevard, E-9., and those portions of E.IO. specific to Linton Boulevard shall be considered to be null and void. (ONGOING: ENGINEERING - Engineering)

Is hereby deleted. [REASON: No longer required.]

13. Prior to issuance of the first building permit, the Property Owner shall plat the subject property in accordance with provisions of Article 11 of the Unified Land Development Code. The platting of this property may be phased in accordance with a phasing plan acceptable to the Office of the County Engineer and approved by the Development Review Officer. A phase should not be larger than what would reasonably be expected to be completed within the time frame of the posted surety. (BLDGPM: MONITORING - Engineering)

14. In order to comply with the mandatory Traffic Performance Standards, the Property

Owner shall be restricted to the following phasing schedule:

a. No Building Permits for the site may be issued after December 31, 2019. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Art. 2.E of the Unified Land Development Code. (DATE: MONITORING - Engineering)

b. Building Permits for more than 70 units shall not be issued until the Property Owner makes a proportionate share payment of \$1,503,249.00 to widen Atlantic Ave from SR-7 to Lyons Rd from 2 lanes to 4 lanes divided. Note that while this proportionate share payment is based on proportionate cost of a specific roadway improvement, the County, in its sole discretion may apply such payment to one or more mobility improvements to regionally significant transportation facilities. The proportionate share payment shall be adjusted at the time of payment by the escalator calculation set forth in Condition 15. Any road impact fees paid by the Developer on this project prior to this proportionate share payment will be applied as a credit toward the proportionate share payment. The proportionate share payment is sufficient to accomplish one or more mobility improvements that will benefit a regionally significant transportation facility in the area. (BLDG/PMT/DATE: MONITORING - Engineering)

c. Building Permits for more than 315 units shall not be issued until the Property Owner makes a proportionate share payment of \$132,995.00 to widen Atlantic Ave from Florida Turnpike to Hagen Ranch Rd from 4 lanes divided to 6 lanes divided. Note that while this proportionate share payment is based on proportionate cost of a specific roadway improvement, the County, in its sole discretion may apply such payment to one or more mobility improvements to regionally significant transportation facilities. The proportionate share payment shall be adjusted at the time of payment by the escalator calculation set forth in Condition 15. Any road impact fees paid by the Developer on this project prior to this proportionate share payment will be applied as a credit toward the proportionate share payment. The proportionate share payment is sufficient to accomplish one or more mobility improvements that will benefit a regionally significant transportation facility in the area. (BLDG/PMT/DATE: MONITORING - Engineering)

15. In recognition that construction prices may change over the life of the project, the proportionate share payments included in Condition 14 above shall be subject to the following escalator calculation:

Adjusted Payment = Original Payment Amount x (BONS payment month / BONS Month of Prop Share Execution)

- * Original Payment Amount = Proportionate Share Payment amount specified
- * BONS payment = Latest Published Value (including preliminary values) at Time of Payment
- * BONS Month of Prop Share Execution = Published Value

The cost adjustment for the total and amount of each payment shall be based on the Bureau of Labor Statistics Producer Price Index (PPI) for Other Non-Residential Construction ((BONS) (Series ID: WPUIP23122301).

As of the effective date of this Agreement, the PPI index information may be accessed through the following link:

PROPERTY & REAL ESTATE MANAGEMENT

1. Platting & Deed.

The Property Owner shall provide Palm Beach County Board of County Commissioners with a Statutory Warranty Deed on a net 2.26 acre public civic site (net usable area - excluding buffers), in a location and form acceptable to Facilities, Development & Operations Department (FD&O) by March 15, 2018. Property Owner to plat and dedicate the civic site to Palm Beach County prior to conveying the deed, and shall have satisfied each of the following conditions prior to deed conveyance.

a) Title

Property Owner to provide a title policy insuring marketable title to Palm Beach County for the civic site and any easements that service the civic site as required by the County Attorney's office. All title exception documentation to be provided to County. Policy is subject to Property & Real Estate Management Department's (PREM) and County Attorney's approval. The title policy to be insured to Palm Beach County for a dollar value based on current market appraisal of the proposed civic site or the Contract purchase price on a per acre basis if the contract purchase was concluded within the previous 24 month period. If an appraisal is required it shall be obtained by the Property Owner. The Property Owner shall release the County from all Declarations of Covenants and Conditions of the P.U.D. or other restrictive covenants as they may apply to the civic site.

b) Concurrency

Property Owner to assign sufficient traffic trip capacity such that the traffic volume

associated with a County facility shall be attached to the civic site and recorded on the concurrency reservation for the entire PUD. The Property Owner shall be provided with input as to the size of a structure (and proposed use) which the civic site would support and the corresponding amount of trips. If no County use is applied to the civic site, Property Owner shall assign sufficient traffic trip capacity equivalent to the number of units the civic would support if it were a residential pod.

c) Taxes

All ad valorem real estate taxes and assessments for the year of acceptance shall be prorated to include the day of acceptance.

d) Site condition

Civic site to be free and clear of all trash and debris at the time of acceptance of the Statutory Warranty Deed.

e) Retention and Drainage

Property Owner shall provide all retention, detention, and drainage required for any future development of the proposed civic site by the County. Property Owner shall specifically address the following issues:

1) The discharge of surface water from the proposed civic site into the Property Owner's water retention basins.

2) An easement across Property Owner's property from the proposed civic site to the retention basins, if required.

f) On-Site Inspections

By acceptance of these conditions Property Owner agrees to allow the County to perform any on-site inspections and testing deemed appropriate to support the acquisition of the civic site.

g) Vegetation Permit

Property Owner to perform a tree survey and obtain a vegetation clearing permit. If it is determined by PREM that clearing is not required at time of conveyance, the cost of such clearing shall be paid to the County.

h) Buildable Grade

Prepare civic site to buildable grade under the direction of the FDO Department. Site shall be stabilized with 1) sod and watered or, 2) seeded, mulched and watered (at the discretion of FDO), all of which shall be to the satisfaction of FDO.

i) Water & Sewer

Property Owner to provide water, sewer, reclaim water stubbed out to the property line and other required utilities as determined by PREM.

(DATE: PROPERTY REAL ESTATE MANAGEMENT - Monitoring)

2. Survey

The Property Owner shall provide the County with a survey certified to Palm Beach County of the proposed civic site by February 1, 2018. Survey shall reflect the boundary and topographical areas of the site and the surveyor shall use the following criteria:

a) The survey shall meet Minimum Technical Standards set forth by the Florida Board of Professional Surveyors and Mappers in Chapter 5J-17.050-.052 for a Boundary Survey pursuant to section 472.027, Florida Statutes.

b) If this parcel is a portion of Palm Beach Farms, sufficient data to make a mathematical overlay should be provided.

c) The survey should include a location of any proposed water retention area that will border the civic site.

Survey is also subject to the County's approval of any proposed or existing easements within the proposed civic site and all title exceptions are to be shown on the survey.

(DATE: PROPERTY REAL ESTATE MANAGEMENT - Monitoring)

3. Environmental Survey

The Property Owner shall provide PREM with an Environmental Assessment certified to Palm Beach County of the proposed civic site by February 1, 2018 . The minimum assessment which is required is commonly called a "Phase I Audit". The audit shall describe the environmental conditions of the property and identify the past and current land use.

The assessment will include but not be limited to the following:

a) Review of property abstracts for all historical ownership data for evidence of current and past land use of the proposed civic site.

b) Review of local, state, and federal regulatory agency's enforcement and permitting records for indication of prior groundwater or soil contamination. Also, a review of the neighboring property that borders the proposed civic site will be required. The review shall include, but not be limited to, Palm Beach County Environmental Resources Management Department Records, and Florida Department of Regulation Records.

The assessment shall reflect whether the civic site or any bordering property is on the following lists:

- 1) EPA's National Priorities list (NPL)
- 2) Comprehensive Environmental Response Compensation and Liability Act System List (CERCLA)
- 3) Hazardous Waste Data Management System List (HWDMS).

c) Review of current and historical aerial photographs of the proposed civic site. Provide a recent aerial showing site and surrounding properties.

d) The results of an on-site survey to describe site conditions and to identify potential area of contamination.

e) Review of Wellfield Protection Zone maps to determine if property is located in a Wellfield Zone.

If the Phase I audit indicates that a Phase II is necessary, then the property owner shall be required to provide that audit as well. (DATE: PROPERTY REAL ESTATE MANAGEMENT - Monitoring)

4. Cash-Out

The Property Owner may request to exchange the required on-site dedication of land for cash of equal value or off-site land equal in acreage, however, this option shall be used only upon County approval when the County has established that the cash or offsite land is the more viable option and enhances or supports a County property, facility or function in the general vicinity of the PUD. In addition, should the off-site land option be chosen, each PREM condition listed in numbers 1, 2 & 3 above will also apply. If the land off-site is of less cash value than the on-site dedication the Property Owner shall contribute cash equal to the difference in values. Valuation of the on-site and off-site land shall be subject to the County appraisal process unless otherwise directed by PREM staff, however, any cash out determination shall be at the cost of the Property Owner. If off-site land or cash contribution is accepted by Palm Beach County, the Property Owner shall be deemed to have satisfied the intent of ULDC.

(ONGOING/PLAT: PROPERTY REAL ESTATE MANAGEMENT - Property Real Estate Management)

SCHOOL BOARD

1. The property owner shall post a notice of annual boundary school assignments for students from this development. A sign 11" X 17" shall be posted in a clear and visible location in all sales offices and models with the following:

"NOTICE TO PARENTS OF SCHOOL AGE CHILDREN"

School age children may not be assigned to the public school closest to their residences. School Board policies regarding levels of service or other boundary policy decisions affect school boundaries. Please contact the Palm Beach County School District Boundary Office at (561) 434-8100 for the most current school assignment(s).

(ONGOING: SCHOOL BOARD - School Board)

2. Prior to the issuance of the first Certificate of Occupancy (CO), the 10' by 15' school bus shelter shall be constructed by the Property Owner in a location and manner acceptable to the Palm Beach County School Board. Provisions for the bus shelter shall include, at a minimum, a covered area, continuous paved pedestrian and bicycle access from the subject property or use, to the shelter. Maintenance of the bus shelter shall be the responsibility of the residential Property Owner.

COMPLIANCE

1. In Granting this Approval, the Board of County Commissioners relied upon the oral and written representations of the Property Owner/Applicant both on the record and as part of the application process. Deviations from or violation of these representations shall cause the Approval to be presented to the Board of County Commissioners for review under the Compliance Condition of this Approval. (ONGOING: ZONING - Zoning)

2. Failure to comply with any of the Conditions of Approval for the subject property at any time may result in:

a. The Issuance of a Stop Work Order; the Issuance of a Cease and Desist Order; the Denial or Revocation of a Building Permit; the Denial or Revocation of a Certificate of Occupancy; the Denial of any other Permit, License or Approval to any developer, owner, lessee, or user of the subject property; the Revocation of any other permit, license or approval from any developer, owner, lessee, or user of the subject property; the Revocation of any concurrency; and/or

b. The Revocation of the Official Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or any other zoning approval; and/or

c. A requirement of the development to conform with the standards of the Unified Land Development Code at the time of the finding of non-compliance, or the addition or modification of conditions reasonably related to the failure to comply with existing Conditions of Approval; and/or

d. Referral to Code Enforcement; and/or

e. Imposition of entitlement density or intensity.

Staff may be directed by the Executive Director of PZ&B or the Code Enforcement Special Master to schedule a Status Report before the body which approved the Official Zoning Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or other zoning approval, in accordance with the provisions of Section 2.E of the ULDC, in response to any flagrant violation and/or continued violation of any Condition of Approval. (ONGOING: ZONING - Zoning)

DISCLOSURE

1. All applicable state or federal permits shall be obtained before commencement of the development authorized by this Development Permit.
