

RESOLUTION NO. R-2017-0008

RESOLUTION APPROVING ZONING APPLICATION ZV/ABN/PDD/R-2015-02353  
(CONTROL NO. 2004-00034)  
a Requested Use  
APPLICATION OF West Boynton Farms Inc  
BY JMorton Planning & Landscape Architecture, AGENT  
(Cobblestone Plaza MUPD)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider applications relating to zoning;

WHEREAS, the notice and public hearing requirements pursuant to Article 2 (Development Review Procedures) of the Palm Beach County Unified Land Development Code (Ordinance 2003-067 as amended (ULDC), have been satisfied;

WHEREAS, Zoning Application ZV/ABN/PDD/R-2015-02353 was presented to the Board of County Commissioners at a public hearing conducted on January 5, 2017;

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the Applicant and other interested parties, the recommendations of the various County Review Agencies, and the recommendation of the Zoning Commission;

WHEREAS, the, Board of County Commissioners pursuant to Article 2 (Development Review Procedures) of the ULDC is authorized and empowered to consider, approve, approve with conditions or deny the request;

WHEREAS, THE Board of County Commissioners hereby incorporates by reference the Findings in the staff report addressing the Standards contained in Article 2.B (Public Hearing Process) for a Requested Use;

WHEREAS, this approval is subject to Article 2.E (Monitoring), of the ULDC and other provisions requiring that development commence in a timely manner;

WHEREAS, the issuance of this Development Permit does not in any way create any rights on the part of the Applicant and/or Property Owner to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the Applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law;

WHEREAS, the Palm Beach County Survey Section may administratively correct any scrivener's errors that will not significantly impact the overall boundary of the adopted legal description; and,

WHEREAS, Article 2.A.1.K.3.b (Action by BCC) of the ULDC requires that the action of the Board of County Commissioners be adopted by resolution.

### CONDITIONS OF APPROVAL

#### **Requested Use - Convenience Store with Gas Sales (Building 1)**

##### **ALL PETITIONS**

1. The approved Preliminary Site Plan and Regulating Plan are dated September 26, 2016. Modifications to the Development Order inconsistent with the Conditions of Approval, or changes to the uses or site design beyond the authority of the Development Review Officer as established in the Unified Land Development Code, must be approved by the Board of County Commissioners. (ONGOING: ZONING - Zoning)

##### **ARCHITECTURAL REVIEW**

1. At time of Building Permit, the Architectural Elevations for Building 1 Convenience Store, shall be submitted simultaneously with the site plan for final architectural review and approval. Elevations shall be designed to be consistent with Article 5.C of the ULDC. Development shall be consistent with the approved architectural elevations, the Development Review Officer (DRO) approved Site Plan, all applicable Conditions of Approval, and all ULDC requirements. (BLDGPM: ZONING - Zoning)

2. Gas station canopy shall be designed consistent with the following standards:

- a. a maximum height of twenty-five (25) feet measured from finished grade to highest point;
- b. a maximum slope of 5:12. No flat roof shall be permitted;
- c. the clearance of the canopy shall be a maximum of sixteen (16) feet, measured from finished grade to the underside of the canopy; and,
- d. lighting for the gas station canopy shall be flush mounted or recessed. (ONGOING: ZONING - Zoning)

##### **ENGINEERING**

1. In order to comply with the mandatory Traffic Performance Standards, the Property Owner shall be restricted to the following phasing schedule:

- a. No Building Permits for the site may be issued after December 31, 2018. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Art. 2.E of the Unified Land Development Code. (DATE: MONITORING - Engineering)

2. The Property Owner shall:

- i. Reconstruct/modify the north approach of the intersection of Boynton Beach Blvd and Lyons Rd to have an ultimate lane configuration of 3 left turn, 1 through, and 1 right turn lane, as approved by the County Engineer. The right turn lane would need to be constructed. These improvements in Part i. only shall be impact fee creditable.
- ii. Construct right turn lane east approach at the middle and east driveways on Boynton Beach Blvd, as approved by the FDOT.
- iii. Construct a continuous right turn lane south approach at the project entrance on Lyons Rd, beginning from the southern boundary of the project, as approved by the County Engineer.
- iv. Reconstruct the first median opening on Boynton Beach Blvd, east of the intersection of Boynton Beach Blvd and Lyons Rd to move the eastbound left turn median opening farther west, as shown on the site plan or as approved by the FDOT.

This construction shall be concurrent with the paving and drainage improvements for the site. Any and all costs associated with the construction shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

- a. Permits required from Palm Beach County and FDOT, as appropriate, for this construction shall be obtained prior to the issuance of the first building permit.

(BLDGPMPT: MONITORING - Engineering)

b. Construction shall be completed prior to the issuance of the first Certificate of Occupancy. (BLDGPMPT/CO: MONITORING - Engineering)

3. Prior to the issuance of the first building permit, the Property Owner shall configure the property into a legal lot of record in accordance with provisions of Article 11 of the Unified Land Development Code. (BLDGPMPT: MONITORING - Engineering)

4. Prior to the issuance of the first building permit or within ninety (90) days of a request by the County Engineer, whichever shall occur first, the Property Owner shall provide to Palm Beach County Right of Way Acquisition Section of Roadway Production Division by warranty deed additional right of way for the construction of a right turn lane on Lyons Road at the project's entrance road(s). This right of way shall be a minimum of 280 feet in storage length, a minimum of twelve feet in width and a taper length of 50 feet, or as approved by the County Engineer. Additional width may be required to accommodate paved shoulders. The right of way shall continue across the project entrance. This additional right of way shall be free of all encumbrances and encroachments and shall include Corner Clips where appropriate, as determined by the County Engineer. Property Owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments, including a topographic survey. The Property Owner must further warrant that the property being conveyed to Palm Beach County meets all appropriate and applicable environmental agency requirements. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Property Owner, the Property Owner agrees to hold the County harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, engineering or other expert witness fees including attorney's fees as well as the actual cost of the clean up. The Property Owner shall not record the required right of way or related documents. After final acceptance of the location, legal sketches and dedication documents, Palm Beach County shall record all appropriate deeds and documents. (BLDGPMPT: MONITORING - Engineering)

5. Prior to the issuance of the first building permit, the Property Owner shall provide to Florida Department of Transportation (FDOT), by deed, additional right of way for the construction of a right turn lane on Boynton Beach Boulevard at both of the project's entrance roads. This right of way shall be a minimum of 280 feet in storage length, a minimum of twelve feet in width and a taper length of 50 feet or as approved by FDOT. Additional width may be required to accommodate paved shoulders. The right of way shall continue across the project entrance and shall be free and clear of all encumbrances and encroachments. Property Owner shall provide FDOT with sufficient documentation, including, at a minimum, sketch and legal description of the area to be conveyed, copy of the site plan, a Phase I Environmental Site Assessment, status of property taxes, statement from Tax Collector of delinquent and pro-rata daily taxes, full owner name(s) of area to be conveyed and one of the following: title report, attorney's opinion of title, title commitment or title insurance policy, or as otherwise required and acceptable to FDOT. The Property Owner must warrant that the property being conveyed to FDOT meets all appropriate and applicable environmental agency requirements. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Property Owner, the Property Owner agrees to hold the County and FDOT harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, engineering or other expert witness fees including attorney's fees as well as the actual cost of the clean up. Thoroughfare Plan Road right of way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include where appropriate, as determined by the County Engineer, additional right of way for Expanded Intersections and corner clips. The Property Owner shall coordinate conveyance of right of way directly with FDOT and shall provide evidence to Palm Beach County Land Development Division once conveyance has been completed. (BLDGPMPT: MONITORING - Engineering)

6. Prior to the issuance of the first building permit, the Property Owner shall abandon or

release, and relocate if necessary, any and all easements shown in conflict with the existing or proposed structures. (BLDGPM: MONITORING - Engineering)

#### 7. Landscape Within the Median of Lyons Road

The Property Owner shall design, install, and perpetually maintain median landscape within the median of all abutting right of way of Lyons Road. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioner's approval. Median landscaping installed by the Property Owner shall be perpetually maintained by the Property Owner, his successors and assigns, without recourse to Palm Beach County, unless the Property Owner provides payment for maintenance as set forth in Paragraph c and d below.

a. The necessary permit(s) for this landscaping and irrigation shall be applied for from Palm Beach County Land Development prior to the issuance of the first building permit. (BLDGPM: MONITORING - Engineering)

b. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (BLDGPM/CO: MONITORING - Engineering)

c. At Property Owner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the Property Owner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the Property Owner. The Property Owner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Property Owner. (ONGOING: MONITORING - Engineering)

d. Alternately, at the option of the Property Owner or if the construction of the required landscape and irrigation is not possible due to physical constraints, the Property Owner may make a contribution to the County's Only Trees Irrigation and Sod, (OTIS) program, unincorporated thoroughfare beautification program prior to the issuance of the first Building Permit. This payment option is only available if the roadway segment is included in the County's current OTIS Master Plan and shall be based on the project's front footage along Lyons Road. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (BLDGPM: MONITORING - Engineering)

#### 8. Landscape Within the Median of Boynton Beach Boulevard

The Property Owner shall design, install and perpetually maintain median landscape within the median of all abutting right of way of Boynton Beach Boulevard. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires County Engineer approval. Median landscaping installed by Property Owner shall be perpetually maintained by the Property Owner, his successors and assigns, without recourse to Palm Beach County, unless the Property Owner provides payment for maintenance as set forth in Paragraph c below.

a. The necessary permit(s) for this landscaping and irrigation shall be applied for from the Florida Department of Transportation prior to the issuance of the first building permit. (BLDGPM: MONITORING - Engineering)

b. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (BLDGPM/CO: MONITORING - Engineering)

c. Alternately, at the option of the Property Owner or if the construction of the required landscape and irrigation is not possible due to physical constraints, the Property Owner may make a contribution to Palm Beach County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program prior to the issuance of the first Building Permit. This payment option is only available if the roadway segment is included in the County's current OTIS Master Plan and shall be based on the project's

front footage along Boynton Beach Boulevard. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (BLDGPM: MONITORING - Engineering)

#### **USE LIMITATIONS**

1. Prior to Final Approval by the Development Review Officer, the Site Plan shall be amended to indicate facilities for the provision of free air and water for customer convenience. (DRO/ONGOING: ZONING - Zoning)

#### **COMPLIANCE**

1. In Granting this Approval, the Board of County Commissioners relied upon the oral and written representations of the Property Owner/Applicant both on the record and as part of the application process. Deviations from or violation of these representations shall cause the Approval to be presented to the Board of County Commissioners for review under the Compliance Condition of this Approval. (ONGOING: ZONING - Zoning)

2. Failure to comply with any of the Conditions of Approval for the subject property at any time may result in:

a. The Issuance of a Stop Work Order; the Issuance of a Cease and Desist Order; the Denial or Revocation of a Building Permit; the Denial or Revocation of a Certificate of Occupancy; the Denial of any other Permit, License or Approval to any developer, owner, lessee, or user of the subject property; the Revocation of any other permit, license or approval from any developer, owner, lessee, or user of the subject property; the Revocation of any concurrency; and/or

b. The Revocation of the Official Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or any other zoning approval; and/or

c. A requirement of the development to conform with the standards of the Unified Land Development Code at the time of the finding of non-compliance, or the addition or modification of conditions reasonably related to the failure to comply with existing Conditions of Approval; and/or

d. Referral to Code Enforcement; and/or

e. Imposition of entitlement density or intensity.

Staff may be directed by the Executive Director of PZ&B or the Code Enforcement Special Master to schedule a Status Report before the body which approved the Official Zoning Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or other zoning approval, in accordance with the provisions of Section 2.E of the ULDC, in response to any flagrant violation and/or continued violation of any Condition of Approval. (ONGOING: ZONING - Zoning)

#### **DISCLOSURE**

1. All applicable state or federal permits shall be obtained before commencement of the development authorized by this Development Permit.
