

RESOLUTION APPROVING ZONING APPLICATION DOA-2018-01613
(CONTROL NO. 2001-00064)
a Development Order Amendment
APPLICATION OF Liberty Property Limited Partnership
BY Cotleur & Hearing, Inc., AGENT
(Liberty Airport Center)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider applications relating to zoning;

WHEREAS, the notice and public hearing requirements pursuant to Article 2 (Application Processes and Procedures) of the Palm Beach County Unified Land Development (ULDC), Ordinance 2003-067, Supplement 24, have been satisfied;

WHEREAS, Zoning Application DOA-2018-01613 was presented to the Board of County Commissioners at a public hearing conducted on June 27, 2019;

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the Applicant and other interested parties, the recommendations of the various County Review Agencies, and the recommendation of the Zoning Commission;

WHEREAS, the Board of County Commissioners pursuant to Article 2 (Application Processes and Procedures) of the ULDC is authorized and empowered to consider, approve, approve with conditions or deny the request;

WHEREAS, the Board of County Commissioners hereby incorporates by reference the Findings in the staff report addressing the Standards contained in Article 2.B (Public Hearing Processes) for a Development Order Amendment;

WHEREAS, this approval is subject to Article 2.E (Monitoring), of the ULDC and other provisions requiring that development commence in a timely manner;

WHEREAS, the issuance of this Development Permit does not in any way create any rights on the part of the Applicant and/or Property Owner to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the Applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law;

WHEREAS, the Palm Beach County Survey Section may administratively correct any scrivener's errors that will not significantly impact the overall boundary of the adopted legal description; and,

WHEREAS, Article 2.B.6.C (Board Action) of the ULDC requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Application DOA-2018-01613, the Application of Liberty Property Limited Partnership, by Cotleur & Hearing, Inc., Agent, for a Development Order Amendment to reconfigure the site plan to add an access point and modify Conditions of Approval (Landscaping and Use Limitations) on a parcel of land generally described as shown on the legal description in EXHIBIT A, attached hereto and made a part hereof, and generally located as shown on a vicinity sketch as indicated in EXHIBIT B, attached hereto and made a part hereof, was approved on June 27, 2019, subject to the Conditions of Approval described in EXHIBIT C, attached hereto and made a part hereof.

ENGINEERING

1. Previous ENGINEERING Condition 1 of Resolution R-2015-692, Control No.2001-00064, which currently states:

In order to comply with the mandatory Traffic Performance Standards, the Property owner shall be restricted to the following phasing schedule:

a. No Building Permits for the site may be issued after 12/31/2018. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time

of the request. This extension request shall be made pursuant to the requirements of Art. 2.E of the Unified Land Development Code. (BLDGPMT/DATE: MONITORING - Engineering)

Is hereby amended to read:

In order to comply with the mandatory Traffic Performance Standards, the Property owner shall be restricted to the following phasing schedule:

a. No Building Permits for the site may be issued after 12/31/2023, or as amended. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Art. 2.E of the Unified Land Development Code. (DATE: MONITORING - Engineering)

2. No Building Permits for the site shall be issued until the Property Owner makes a proportionate share payment in the amount of 1.56 percent of the total cost of the following improvements at the intersection of Southern Blvd and Sansburys Way:

i. modify the north approach to make a total of two (2) left turn lanes, two (2) through lanes, and one (1) right turn lane,

ii. modify the south approach to make a total of two (2) left turn lanes, two (2) through lanes, and two (2) right turn lanes,

iii. modify the west approach to make a total of two (2) left turn lanes, four (4) through lanes, and one (1) right turn lane, and

iv. modify the east approach to make a total of two (2) left turn lanes, four (4) through lanes, and one (1) right turn lane.

These modifications will also require widening of the Lyons Road bridge on the south approach to accommodate the receiving lanes as well as all necessary tapers. This proportionate share amount may be applied toward construction of this improvement or one or more other improvements that will benefit the mobility in the area impacted by the project, as determined by the County Engineer and/or the Florida Department of Transportation. The value of the improvement shall be based on an engineer's certified cost estimate provided by the applicant and approved by the County Engineer or other method approved by the County Engineer at the time of payment. (BLDGPMT: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 2 of Resolution R-2015-692, Control No.2001-00064)

3. The Property Owner shall construct:

i. A left turn lane west approach on Southern Blvd at Project's entrance road. The length of this turn lane must accommodate at a minimum 95% of the truck traffic queue, as required by the FDOT driveway conceptual approval letter, or as approved by the FDOT and the County Engineer.

ii. A right turn lane and bicycle lane east approach on Southern Blvd at the Project's entrance road. The length of this turn lane shall be as approved by the FDOT and the County Engineer.

a. Permits required from FDOT for this construction shall be obtained prior to the issuance of the first building permit. (BLDGPMT: MONITORING - Engineering) [Note: COMPLETED]

b. Construction shall be completed prior to the issuance of the first Certificate of Occupancy. (BLDGPMT/CO: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 3 of Resolution R-2015-692, Control No.2001-00064)

4. No Building Permits for the site shall be issued until the Property Owner makes a proportionate share payment in the amount of 18.28 percent of the following improvements at the intersection of Southern Blvd and Pike Road:

i. modify the north approach to make a total of two (2) left turn lanes and two (2) right turn

lanes. This improvement may require widening and tapering of the this and other legs of this intersection. This proportionate share amount may be applied toward construction of this improvement or one or more other improvements that will benefit the mobility in the area impacted by the project, as determined by the County Engineer and/or the Florida Department of Transportation. The value of the improvement shall be based on an engineer's certified cost estimate provided by the applicant and approved by the County Engineer or other method approved by the County Engineer at the time of payment. (BLDGPMT: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 4 of Resolution R-2015-692, Control No.2001-00064)

5. The Property Owner shall

i. restripe the north approach of the intersection of Southern Blvd and Benoist Farms Rd to include one left turn lane and one shared left/through/right lane

ii. restripe the south approach of the intersection of Southern Blvd and Kirk Road to include two left turn lanes and one shared through/right lane.

All the above modifications should be consistent with Palm Beach County standards and must include, but not limited to, all signal modification costs. Within sixty (60) days notice from the County Engineer all the above modifications must be completed by the Property Owner. Any and all costs associated with this work shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way, signal modifications, including hardware and labor cost. The County Engineer may require or the Property Owner may choose to have the County/FDOT perform the above modifications and reimburse all the associated costs to the County. (ONGOING: ENGINEERING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 5 of Resolution R-2015-692, Control No.2001-00064)

6. Prior to the issuance of the first building permit, the Property Owner shall configure the property into legal lot(s) of record in accordance with the provisions of Article 11 of the Unified Land Development Code. (BLDGPMT: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 6 of Resolution R-2015-692, Control No.2001-00064)

7. If access to the preserve area located on the north side of this site is required from Drexel Road, the Property Owner shall improve Drexel Road to local street standards from Flatrock Road south to the property limits concurrent with the onsite improvements, or the Property Owner can reconfigure the proposed lake and provide access to the preserve area from Southern Boulevard, both as approved by the County Engineer. Whichever option is chosen, access shall be provided prior to issuance of the first Certificate of Occupancy. (BLDGPMT/CO: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 7 of Resolution R-2015-692, Control No.2001-00064)

8. Prior to the issuance of the first building permit, the property owner shall provide to Florida Department of Transportation (FDOT) by deed additional right of way for the construction of a right turn lane and bicycle lane on Southern Boulevard at the project's entrance road. This right of way width shall be as approved by FDOT. The right of way should be continued across the project entrance and shall be free and clear of all encumbrances and encroachments. Property owner shall provide FDOT with sufficient documentation, which may include at minimum, sketch and legal description of the area to be conveyed, copy of the site plan, a Phase I Environmental Site Assessment, status of property taxes, statement from tax collector of delinquent and pro-rata daily taxes, full owner name(s) of area to be conveyed and one of the following: title report, attorney's opinion of title, title commitment or title insurance policy, or as otherwise required and acceptable to FDOT. The Grantor must warrant that the property being conveyed to FDOT meets all appropriate and applicable environmental agency requirements. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Grantor, the Grantor agrees to hold the County and FDOT harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, engineering or other expert witness fees including attorney's fees as well as

the actual cost of the clean up. Thoroughfare Plan Road right of way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include where appropriate, as determined by the County Engineer, additional right of way for Expanded Intersections and corner clips. The Property Owner shall coordinate conveyance of right of way directly with FDOT and shall provide evidence to Palm Beach County Land Development Division once conveyance has been completed. (BLDGPM: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 8 of Resolution R-2015-692, Control No.2001-00064)

9. Prior to issuance of the first building permit, the property owner shall provide to Palm Beach County sufficient public road drainage easement(s) through the project's internal drainage system, as required by and approved by the County Engineer, to provide legal positive outfall for runoff from those segments of Southern Boulevard along the property frontage; and a maximum of an additional 800 feet of these adjacent roadway(s). The limits of this additional 800 feet of drainage shall be determined by the County Engineer. Said easements shall be no less than 20 feet in width. Portions of such system not included within roadways or waterways dedicated for drainage purposes will be specifically encumbered by said minimum 20 foot drainage easement from the point of origin, to the point of legal positive outfall. The drainage system within the project shall have sufficient water quality, water quantity and, when necessary, compensating storage capacity within this project's system as required by all permitting agencies, as well as conveyance capacity to meet the storm water discharge and treatment requirements of Palm Beach County, the applicable Drainage District, and the South Florida Water Management District, for the combined runoff from the project to accommodate the ultimate Thoroughfare Plan Road Section(s) of the included segment. Specifically, one lane must be open during the 25-year, 3-day storm and the elevation for the 3-year, 1-day storm event shall provide sufficient freeboard to allow for efficient roadway drainage system design. If required and approved by the County Engineer, the property owner shall construct within the proposed drainage easements a minimum of 24 inch closed piping system and appropriate wingwall or other structures as required by and approved by the County Engineer. Elevation and location of the entire drainage system shall be approved by the County Engineer. Any and all excess fill material from excavation by Palm Beach County within said easements shall become the property of Palm Beach County which at its discretion may use this fill material. The Property Owner shall not record these required easements or related documents. After final acceptance of the location, legal sketches and dedication documents, Palm Beach County shall record all appropriate deeds and documents. (BLDGPM: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 9 of Resolution R-2015-692, Control No.2001-00064)

10. Prior to September 15,2002, the property owner shall convey a temporary roadway construction easement along Southern Boulevard to Palm Beach County. Construction by the applicant within this easement shall conform to all Palm Beach County Standards and Codes. The location, legal sketches and the dedication documents shall be approved by the County Engineer prior to final acceptance. (DATE: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 10 of Resolution R-2015-692, Control No.2001-00064)

11. The property owner shall convey to Palm Beach County Land Development Division by road right-of-way warranty deed for First Street 30 feet from centerline. This additional right of way shall be conveyed prior to the issuance of the first building permit. Right of way conveyance shall be along the projects entire frontage and shall be free of all encumbrances and encroachments. Developer shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. (BLDGPM: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 11 of Resolution R-2015-692, Control No.2001-00064)

12. The property owner shall convey to Palm Beach County Land Development Division by road right-of-way warranty deed for Southern Boulevard an irregular parcel of property, which is 93.81 feet at the west property line, and 86.88 feet at the east property line. This right of way shall be conveyed on or before September 15, 2002 Right of way conveyance

shall be along the projects entire frontage and shall be free of all encumbrances and encroachments. Developer shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. Thoroughfare Plan Road right-of-way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include where appropriate as determined by the County Engineer provisions for Expanded Intersection Details and "Corner Clips." (DATE: MONITORING - Engineering) [Note: COMPLETED] (Previous ENGINEERING Condition 12 of Resolution R-2015-692, Control No.2001-00064)

13. Deleted per Resolution R-2015-0692 (Previous ENGINEERING Condition 13 of Resolution R-2015-692, Control No.2001-00064)

14. The Property Owner shall fund the construction plans, construction and construct Drexel Road and Boys and Girls Club Drive from Belvedere Road to the project entrance to be consistent with Palm Beach County standards for a non-plan collector street. This construction shall be concurrent with the paving and drainage improvements for the site. Any and all costs associated with the construction shall be paid by the Property Owner. These costs shall include, but are not limited to, utility relocations and acquisition of any additional required right-of-way.

a. Permits required for Improvements identified above shall be obtained from Palm Beach County prior to the issuance of the Building Permits that exceeds 493,000 square feet. (BLDGPMT: MONITORING - Engineering)

b. Construction shall be completed prior to the issuance of the Certificate of Occupancy that exceeds 493,000 square feet. (BLDGPMT/CO: MONITORING - Engineering)
