ADD New SECTION 15 - SIGNS AND OUTDOOR DISPLAYS

A. REGULATIONS APPLICABLE TO BILLBOARDS

1. Locations

No billboard shall be erected:

(a) Upon any property zoned as a Residential District except as approved under Section 15-B-3

(b) Within TWO HUNDRED FEET (200') of a residence, church, or school except in a Commercial or Industrial Zone.

(c) Within TWENTY-FIVE FEET (25') of any ultimate right-of-way in a Residential, Commercial, or Industrial Zoning District or FIFTEEN FEET (15') in an A-1 Agricultural District.

(d) Within TWENTY-FIVE FEET (25') of the ultimate right-of-way lines, on any corner lot, except that such signs may be erected on roofs of buildings in accordance with Section 15-B-9 of this Resolution governing roof signs.

2. Maintenance

It shall be the duty of every person maintaining any billboard within the unincorporated areas to keep the property within TWENTY FEET (20') of such billboards free of trash and debris; to cut the weeds and brush around said billboards and to paint or cover by shrubbery or lattice work, the frame of any signs visible from any street.

B. REGULATIONS AS TO OTHER SIGNS

1. Flat or Wall Signs

No flat or wall sign shall be erected at a distance of more than TWELVE INCHES (12") beyond the face of any building, marquees being considered as a part of a building. The outside edge of wall signs on marquees shall be no closer than the ultimate right-of-way line.

2. Fixed Projecting Signs

The outer edge of any fixed projecting sign shall not extend closer than the ultimate right-of-way.

3. Real Estate Signs

Real estate signs shall be permitted only for the purpose of advertising the land or building for rent or for sale unless otherwise approved by the

SECTION 15-B-3 (Continued)

Zoning Commission, and shall relate only to the premises upon which the sign is located. Only one double faced real estate sign, visible from one street front shall be permitted on each parcel of land located within any residential district. Such sign shall not exceed the number of square feet of sign area if located within the distances of a residence in such residential districts as hereinafter specified, to wit:

<u>MAXIMUM SIGN AREA</u>	<u>WITHIN DISTANCE OF RESIDENCE</u>
6 sq. ft.	50 ft.
12 sq. ft.	100 ft.

Subdivision development signs in a County Approved Subdivision shall be permitted to exceed the above sizes where the location of such signs is more than TWO HUNDRED FEET (200') from any residence and approval shall be on a temporary one (1) year basis.

4. Point of Purchase Signs

Not more than three (3) point of purchase signs shall be permitted for each street front at each place of business or premises. These signs may be any combination of the following types: Marquee, Projecting, Pylon, Roof or Detached. A temporary real estate sign may be added to those enumerated in this subsection.

(a) Provisions:

(1) Detached Signs - The total maximum area of a detached sign or signs shall be SIXTY SQUARE FEET for a business with a street frontage of SIXTY FEET (60') or less in length. (5) Roof Sign - No size limitation except as otherwise provided in Section 15-B-9 of this resolution.

5. Pole or Ground Signs

(a) No supporting member or any part of a pole or ground sign utilized as a Point of Purchase Sign shall be erected nearer the street than the ultimate right-of-way.

(b) No pole or ground sign shall be erected to a height exceeding THIRTY-FIVE FEET (35') above the ground or street level except as otherwise provided in Section 15-D-2. Lighting reflectors may project beyond the face of the sign.

(c) One pole or ground sign may be located within TWENTY-FIVE FEET (25') of a property corner at a street intersection where not otherwise prohibited by County Code. No part of any pole or ground sign so located shall project over the public right-of-way; such sign shall not exceed THREE FEET (3') in height unless there is at least a NINE FOOT (9') clearance from the ground. The total permissible diameter of sign poles within TWENTY-FIVE FEET (25') of an intersection property corner shall be TWELVE INCHES (12").

6. Pylon Sign

(a) All pylon signs shall meet the requirements of projecting signs as to maximum projection from the wall, minimum height above sidewalk and horizontal clearance from the public right-of-way.

SECTION 15-B-6 -(Continued)

(b) Maximum height of pylon signs will be limited to TWENTY-FOUR FEET (24') above the roof level and THIRTY-FIVE FEET (35') above ground level except as otherwise provided in Section 15-D-2.

7. Entrance Gates

(a) All entrance gates shall be located a minimum of FIVE FEET (5') from any ultimate road right-of-way line.

(b) All Entrance Gates shall be a maximum height of THREE FEET (3') within a distance of FIVE FEET (5') to FIFTEEN FEET (15') from the ultimate right-of-way. A continuous fence of no more than THREE FEET (3') in height may be used in conjunction with said entrance gate provided no traffic hazard is created. The maximum height of the Entrance Gate shall be EIGHT FEET (8') from ground level at a distance of FIFTEEN FEET (15') or more from the ultimate right-of-way line.

(c) Lettering - The maximum allowable size of any lettering shall be TWENTY-FOUR INCHES (24") in height, and shall only identify the county approved subdivision or community.

8. Home Occupation Name Plates

All Home Occupation Name Plates shall be located in the vicinity of the main entrance at or behind the building setback line. The maximum size shall be ONE FOOT (1') square.

9. Roof Signs

Roof signs shall not extend over public property and shall be limited to a maximum height of TWENTY-FOUR FEET (24') above the roof level, or THIRTY-FIVE FEET (35') above ground level, except as provided in Section 15-D-2.

10. Conditional Use Signs

Conditional Use Signs for churches, including church bulletins, clubs, and schools, may not exceed EIGHTEEN SQUARE FEET in gross area. Other signs authorized under conditional use may not exceed TWENTY-FOUR SQUARE FEET in gross area, meet a minimum side setback of TWENTY-FIVE FEET (25') from the interior lot line and may be illuminated but not flash.

A day nursery may have a non-illuminated sign not exceeding SIX SQUARE FEET in gross area at the building setback line.

SECTION 15-B (Continued)

11. Marquee Signs

All marquee signs shall be hung so as to be at least EIGHT FEET (8') at its lowest level above the sidewalk or ground level or both. A marquee sign shall not extend over the ultimate right-of-way line.
